Board of Education meetings, while held primarily in a public setting, are not designed for extensive public input. Per Board Policy, each participant is limited to five (5) minutes of speaking time.

Anyone having an interest in the actions of the Board may participate during the open forum portion of the meeting. Please identify yourself to the Board President or the Superintendent prior to the meeting. Should your comments include a request for information or extended dialogue it may be necessary and more appropriate that a subsequent meeting with Board and/or Administrative representatives be scheduled to fully address issues.

The public may offer objective criticism of school operations and programs, but the Board will not hear complaints about school personnel or other persons at a public session. The Superintendent will advise speakers about other channels provided for Board consideration of complaints involving individuals.

THIS AGREEMENT made and entered into at Hinckley, Ohio effective for the 2012/2013 school year, by and between the, **Revere Local Schools**, and **Suburban School Transportation Company, Inc. (SSTC)**, 26 River Road, Hinckley, Ohio. For and in consideration of the mutual covenants and agreement herein contained, and for valuable consideration the parties agree to the following:

1. SSTC will transport students at the written request of the **Revere Local Schools** for any student requiring transportation. All students are provided door-to-door services specified by the district.
2. SSTC will provide all routing of said students, including contact of the parents regarding pick up and drop off times and locations. Students may be transported with other students with possible cost reductions. Routing sheets will be kept on file with SSTC dispatching office.
3. SSTC will provide vehicles to be used for transportation of said students. Vehicles will meet the standards of Federal and State law. All vehicles will be equipped with a mobile phone, emergency safety triangles, bodily fluid clean up kits, fire extinguishers, and a first aid kit, blanket and snow brush.
4. SSTC vehicles may be outfitted with digital video/audio cameras at any given time during the term of this contract for the safety of our students and drivers. SSTC vehicles may be equipped with a global positioning system, which shows a vehicle's location, direction of travel and speed at any given moment.
5. SSTC will pay all expenses in connection with the operation and maintenance of vehicles used in the transportation. A vehicle inspection form is completed daily by the drivers. A staff mechanic services our fleet for preventive maintenance and emergency repairs. All daily inspection forms and service logs are on file in SSTC dispatching office. Should a student cause damage to a vehicle, the Parent or Guardian will be financially responsible for said damages.
6. SSTC will provide qualified drivers to operate safely and within legal limits in said vehicles used in the transportation and verify that all drivers have met Ohio Pupil Transportation Operation and Safety Rule.
7. SSTC will purchase and maintain during the term of the agreement no less than \$1,000,000 liability insurance for all company owned vehicles, including a \$5,000,000 umbrella. All non-owned vehicles will carry \$300,000 (state requirement) liability insurance and a 1,000,000-liability non-owned coverage policy purchased by Suburban School Transportation.
8. The rate quoted to the district will be for round trip, unless otherwise specified. The district will be charged the daily rate for each day the particular school is scheduled to be opened, regardless if the student or students attend or not, or should the school be cancelled due to weather or emergency. Should **Revere Local Schools** close due to inclement weather, but the school the student is attending is open, SSTC will use its own discretion. Safety is our top priority. If SSTC believes it is unsafe to transport due to weather, the parent will be contacted. A two-day notice is required if the student will be out for an extended amount of time due to illness or suspension. Also a two-day notice is required if the student has transferred out of district or expelled from school and transportation service is no longer required.

9. It is mandatory for SSTC to maintain Medical History Reports in our dispatch office. An information medical form is sent to the parents to complete and return. If the parent does not return the signed medical form after 7 days of transportation, transportation will cease until the all necessary forms are received into our office.
10. All drivers are issued SSTC identification badges to be worn and visible at all times

All vehicles to be used to transport eligible students who are confined to a wheelchair or other mobile positioning devices or who require life support equipment shall be equipped with a lift or ramp. The lift shall be connected within the vehicle body when not extended. The lift shall lift a maximum of 700 lbs. Wheelchairs are to be secured by a four-point tie down system.
12. Attendants or monitors will be provided to the district if requested at an additional charge. Any required ride-alone students will incur an additional 25% cost increase for such transportation.
13. SSTC may find it necessary to review various alternative accommodations to ensure the safety of the students during transportation. We will always reserve the right to postpone transportation in the event a student becomes combative/violent and threatens or interferes with the safety and well being of the public welfare, other passengers or themselves. The attending school and parent or legal guardian will be notified at this time to discuss transportation options.
14. All vehicles are denoted to have "School Transportation" signs.
15. For the safety of all students transported by SSTC we will not transport any students across picket lines when a strike is in progress.
16. Should fuel cost rise more than 12% from the date of agreement, SSTC reserves the right to request additional compensation, and if fuel costs decrease more than 12% will apply a decrease adjustment.
17. SSTC will provide **Revere Local Schools** with a form to use for adding, changing or deleting students. All student changes/request must be emailed or faxed on the provided SSTC form. No student transportation will begin unless the required form is submitted. SSTC requests at least 24 hours notice when placing new student transportation to allow adequate time for placement, request received after 3:00 pm will not be guaranteed for the next business day (from August 15th thru September 15th please allow 3 days for student placement). After any three (3) requests for a student's time or location change during a billing cycle an additional \$10 service charge per alteration may be applied.
18. SSTC will be responsible for allowing 3 minutes for pick up at the students home, if after the allotted time SSTC leaves and continues the route and is then later notified that SSTC must again return to the students' home, an additional charge will be granted. After school is dismissed at the end of the regularly scheduled day SSTC will wait at the scheduled school until all eligible students have been picked up. If an eligible student does not show up at the designated pickup location the driver will contact the office and the office will contact the school. If SSTC is forced to wait or a student is more than five (5) minutes late after dismissal time (or other agreed upon pickup time) SSTC will agree to wait fifteen (15) additional minutes for the student. SSTC will be permitted to bill the district for the additional time. When in an attempted to drop off an eligible student at home is unsuccessful, SSTC will proceed to complete the regularly scheduled route. The driver will notify the office of the first attempt.
