To elect a Treasurer Pro Tempore for the purpose of accepting staff resignations.

Nominations: One or more may be offered.

If there is only one (1) nomination, a motion "to close nominations and instruct the Superintendent to cast a ballot for the nominee" is in order. This motion requires a unanimous vote. If this is done, the individual is declared elected as Treasurer Pro Tempore and assumes his/her duties at this time.

Mr. Bonacci _____ Mr. Forcina _____ Mr. Hoover _____ Mrs. Hower _____ Mr. Seifert _____

If there are multiple nominations (at a point where there are no other nominations), a motion "to close nominations", which requires a two-thirds vote is in order. If this is done, the Chairperson shall call for a roll call vote for each individual nominee, beginning with the first one. Where no such majority exists on the first ballot, a second ballot shall be cast for the two (2) candidates who receive the greatest number of votes on the first ballot. This procedure continues until a nominee receives a majority vote. At this point, the chairperson declares him/her elected as Treasurer Pro Tempore and he/she assumes his/her duties at this time.

Subject: New Direction

I have been dreading breaking this news more than you know. The stress attached to this decision has been overwhelming, and I have been making myself sick. I guess that comes from my not wanting to let anyone down.

It is with regret that I am inform you of the decision to not return in August for the 2011-12 school year. Please accept my resignation effective immediately. It is not a decision that was made lightly. There has been a lot of changes in my situation in the last six-eight weeks, some good and some not as much: getting engaged, having a wedding to pay for in the next year, repairs to the house, family members with serious health issues. The reality is I need a job closer to home to help out with family issues and a salary more in line with what I used to make. An opportunity I did not foresee has come up that I accepted. I did not anticipate the many things that have transpired. I truly regret any inconvenience. This is the right opportunity for me even if the timing isn't perfect.

My time with the school has been a great learning experience and I met some nice people along the way. I thank you for the opportunity the school has given me.

I trust you'll find someone more suited to the combined attendance/athletics position. In the long run, this is for the best.

Regards,

Alyssa Papadopoulos
