

REVERE QUALIFIES 16 STUDENTS AS NATIONAL MERIT SCHOLARS - TOP 1% IN AMERICA

Ten Revere High School students qualified as semifinalists in the 2023 National Merit® Scholarship Program. Students Adelyn Brookover, Taylor Creveling, Devin Donich, Tate Johnson, Wesley Leong, Philip Liu, Calin Milicia, Sara Tomechko, Lauren Weil and Annabelle Yost are among the 16,000 semifinalists in the 68th annual National Merit Scholarship Program held by the National Merit Scholarship Corporation (NMSC).

The ten Revere High School semifinalists will continue competing for one of the 2,500 National Merit \$2,500 Scholarships awarded in the spring. In addition to the National Merit Scholarships, approximately 5,000 other scholarships will be awarded from corporations, businesses, colleges and universities to qualifying finalists.

The 2023 National Merit Scholarship winners will be announced in four nationwide news releases beginning in April and concluding in July. Learn more about the National Merit Scholarship Program and NMSC by visiting www.nationalmerit.org.

Additionally, six Revere High School students have been awarded the recognition of Commended Student for their exceptional academic promise demonstrated by their outstanding performance on the qualifying test used for program entry. Our commended scholars include: Abigail Disalvo, Luke Furukawa, Lillian Kayani, Allison Meixner, Rishi Velma and Bora Zook.

“We are very proud of our students for being named as semifinalists and commended students in the National Merit Scholarship Program,” said Revere High School Principal Dr. Andrew J. Peltz. “They all have worked very hard, putting in the effort daily to be the best students they can be, and it’s great to see that work pay off. Let’s celebrate that 16 of our 224 senior class members have earned this special recognition!”

OHIO DEPARTMENT OF EDUCATION 2022 REPORT CARD

The Ohio Department of Education (ODE) recently released its annual Local Report Card (LRC) for all Ohio school districts. The state report card is a quality metric for how well our district is performing, and we applaud our employees and students for these incredibly impressive results.

ACHIEVEMENT

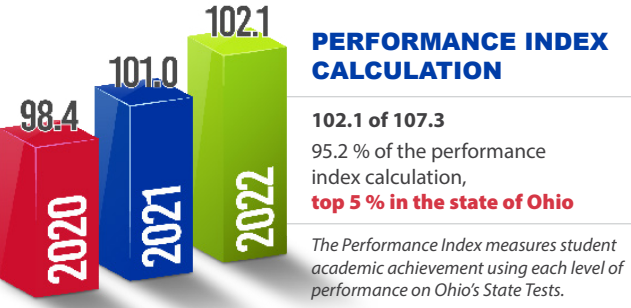

* Revere is one of 92 school districts (out of 609) to earn five stars.

Revere scored a **perfect five-star rating** for “significantly exceeding state standards” in the areas of: **Achievement, Gap Closing, Early Literacy and Graduation**

The Progress component measures how groups of students made progress as compared to the statewide expectation of growth. The expectation of growth is based on how students in the group performed, on average, compared to other students like them across Ohio. While the Progress score indicates that the district “met student growth expectations,” we believe that this is an opportunity for improvement. Our school growth plans are strategically designed to improve the Progress component and we look forward to implementing these plans with a growth mindset.

The Performance Index is a component that measures student achievement across six performance levels on Ohio’s State Tests: limited, basic, proficient, accomplished, advanced. With a score of 102.1 out of a possible 107.3 in 2022, we are proud to be ranked in the top 5% in Ohio.

While these data points are certainly important to us, nothing is more important than the daily student experience, the culture/ climate of our schools, and protecting the mental health of our students and employees. We are thankful each and every day for our Revere Pride community!

SRO ADDED FOR 2022-23 SCHOOL YEAR

Thanks to our partnership with the Revere Schools’ Foundation, the district began the 2022-23 school year with one full time School Resource Officer (SRO) and two additional officers who will each support our schools for 6 hours daily; 60 hours weekly. The addition of this resource means that our 2,879 students will have an extra set of eyes and ears keeping our district safe. As always, students are reminded they can always report safety concerns to [safeschoolshelpline.com](https://www.safeschoolshelpline.com), text TIPS to 614-426-0240 or call 1-800-418-6423, ext. 359.

TEACHER AND STAFF EXCELLENCE AWARD WINNERS ANNOUNCED

In order to recognize outstanding educators in our District for their efforts in meeting the needs of students, residents Christopher and Gigi Kostoff established the Revere Schools Recognition for Teacher Excellence Award in December 2008.

This year’s elementary Teacher Excellence Award recipient, second grade teacher Mrs. Amanda Holzman, was nominated by a parent who highlighted her drive, compassion and the example she is to everyone she comes in contact with. Mrs. Holzman refuses to enter the building without a smile and a positive perspective. She means more to our students, staff and families than she will ever know and her outlook on life has had an impact that cannot be measured.

Mrs. Emily Rion, RHS counselor, is this year’s secondary Teacher Excellence Award recipient. Multiple students nominated Mrs. Rion for this award based on her kindness, empathy, and leadership. Students have this to say about Mrs. Rion: “She is one of the brightest souls I’ve ever met, and she has taught me how to create optimism in every situation and make the best of life. “ We thank Mrs. Rion for her embodiment of the Revere Way, caring for students as if the are her own and serving as a leader to all.

The Revere Local School District also recognizes one non-certificated staff member each year for excellence in the workplace. This year’s O.A.P.S.E. Staff Member of the Year is Peggy Tyson, a bus driver with nearly 28 years of experience. Peggy comes to work each day prepared to transport the district’s most precious cargo, our students. “She is always finding a way to make their ride to and from school enjoyable. The patience she has is inspiring!”
