Multi-Agency Safety Drill

On Friday, August 18, 2023, a multijurisdictional safety drill will be held at Revere High School. This drill will begin at 9:00 AM and last until approximately 12:00 PM.

There will be a significantly visible presence of several safety forces:

- Bath Police/Fire
- Richfield Police/Fire
- Brecksville Police
- Copley Police
- Cuyahoga Falls Police
- Fairlawn Police
- Metro Swat
- National Park Police
- Summit County Sheriff

in the area on August 18. Please do not be alarmed and know that this is just a drill. The area around Revere High School will be blocked off and there will be no through traffic during the drill.

School safety drills are specifically designed to educate safety forces and employees on crisis systems and protocols. All Revere staff will participate in the drill by being onsite for the simulation or by attending life-saving training.

The purpose of this drill:

- Multi-agency safety training
- Run, Hide, Fight training for Revere employees

All agencies will evaluate their emergency response plans throughout the day. Following the drill, all agencies will meet and debrief the scenarios.

It is unfortunate that these drills are necessary. We appreciate the community's support and patience on August 18 as the drill may cause some inconveniences for local traffic.

Respectfully,
Michael
