Quick Tips

Do not use your browser's BACK button.

Information will not save.

Log out when you are not using GradeBook.

The app times out after a period of inactivity.
SAVE or REFRESH the page to reset the timer.

Student averages displaying as question marks?

On the **Grading Scale Setup** screen, designate the correct grading scale and check assignment mark types; make sure the grading scale is set up properly.

Class or student not displaying?

View the **Class Setup** screen and **Class Roster** screen to verify the class and student are not hidden.

Want to set up defaults for creating assignments?

On the **Teacher Home Page**, under **Administration**, click **Set Up Preferences**.

Posting to the Web

Post to the homework web page?

Assignment Description and Due Date display on the **Planner** screen until after the due date.

Post marks to the web?

Assignment Description, Marks, Points Possible, and Comments display on **Grade Details** screen.

Post Homework

Allows attachments, links, and longer description; displays on the **Planner** screen until after the due date.

Class Home Page

Post messages for parents and students to view; allows attachments and links.

Daily Comments

When posted, they display on the ParentAccess **Dashboard** and the **Grade Details** screen.

Progress Report Options

- 🚩 **Daily or Period Attendance**
- 🚩 **Assign %**
Average percent for each assignment
- 🚩 **Class Average**
- 🚩 **Daily Comments**
Unique to each student
- 🚩 **Duplex Printing**
Each report begins on an odd page for double-sided printing
- 🚩 **Hide Assignments**
Displays averages for each assignment type but hides other assignment details
- 🚩 **Hide Exempt**
Hides excluded assignments
- 🚩 **Parent Signature Line**
- 🚩 **Points Missing**
- 🚩 **Student ID**
- 🚩 **Posted to ParentAccess**
- 🚩 **Hide Averages**
Hides letter grades and percentages
- 🚩 **Teacher Comment**
Same comment for each student
