SUPERINTENDENT'S CORNER

BY KATIE RUSSELL

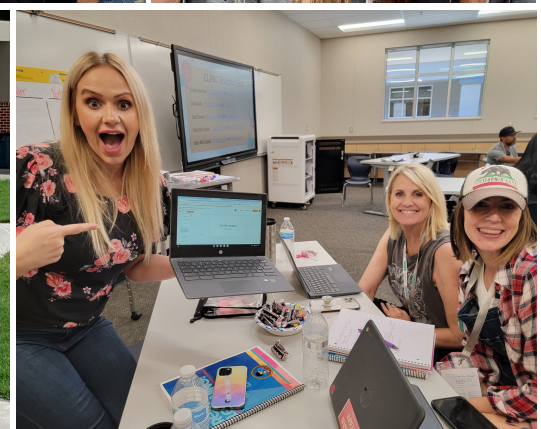

I am so excited to welcome our students back next week for the 2022-2023 school year! Principals, office staff, school psychologists, nurses and more have returned from summer break and we are preparing to welcome back our students for what I am confident will be the best year yet. I can't wait to see everyone's first day of school photos next week. Take care!

EDUCATOR LEARNING SUMMIT

Our Instructional Services Department hosted the Educator Learning Summit to provide professional development opportunities to over 750 teachers. Over 50 academic coaches, principals, directors and teachers led sessions on Comprehensive English Language Development, play-based and developmental learning, and more. Thank you to the Kern County Superintendent of Schools for partnering with us to offer this training for our teachers, and to all of our dedicated participants.

OPERATION SCHOOL BELL

The Assistance League of Bakersfield oversees "Operation School Bell", and they recently unveiled a mural in downtown with two of our P-BVUSD students depicted. What an honor! This past winter, Operation School Bell gifted 80 students with a \$100 shopping spree at Old Navy, and will be gifting another 200 students with a shopping spree in September.
