

**SCHOOL PLEDGE**

Right now, today, this very moment, I am capable of giving myself, the gift of absolute self-assurance, self-belief, and powerful non-stop confidence in myself.

**“ TO THROUGH AND BEYOND COLLEGE ”**

**MESSAGE FROM PRINCIPAL DUNGEY**

**Helpful Map Tips for Parents and Guardians**

Believe that every child can be successful in math. It takes good teaching, coaching, encouragement and practice.

- Talk about math in a positive way. A positive attitude about math is infectious.
- Encourage persistence. Some problems take time to solve.
- Encourage your child to experiment with different approaches to mathematics. There is often more than one way to solve a math problem.
- Encourage your child to talk about and show a math problem in a way that makes sense (i.e., draw a picture or use material like macaroni).
- When your child is solving math problems ask questions such as: Why did you...? What can you do next? Do you see any patterns? Does the answer make sense? How do you know? This helps to encourage thinking about mathematics.
- Connect math to everyday life and help your child understand how math influences them (i.e. shapes of traffic signs, walking distance to school, telling time).
- Play family math games together that add excitement such as checkers, junior monopoly, math bingo and uno.
- Computers + math = fun! There are great computer math games available on the internet that you can discover with your child.(Exactpath, math playground, prodigy, abcya)
- Talk with your child’s teacher about difficulties he/she may be experiencing. When teachers and parents work together, children benefit.
- Connect with Great Minds.org and learn more about Eureka Math (<https://greatminds.org/resources>) K-5 . Illustrative Math ([https://curriculum.illustrativemathematics.org/MS/teachers/family\\_inf](https://curriculum.illustrativemathematics.org/MS/teachers/family_inf))

DAY	ANNOUNCEMENTS
Monday 10/30 ANET ELA 2-8	Read and Respond Goes Home  Spelling words & Book Clubs go home!  <b>Exact Path during intervention</b>
Tuesday 10/31 <b>NO TUTORING</b> <b>Mathoween!!!</b> Must come with a parent!	<b>Mathoween 4:30-6:30</b>  <b>We still need donations!!!!</b> ANET ELA 2-8
Wednesday 11/1	ANET ELA 2-8
Thursday 11/2 ANET ELA 2-8	PSAT 8 <sup>th</sup> grade 8:30-11:00 Tutoring 3:45-5:30 ANET Math 2-8
Friday 11/3 ANET ELA 2-8	<b>Read and Respond Due!</b> Spelling Tests Turn in Book Clubs <b>Update R&amp;R tracker /C3 and signs</b>
<b>UPCOMING</b>	
11/4	End of Quarter 1

Riding the bus is a privilege! If you violate rules, you will be suspended from the bus!

**Mask Requirement** Masks will be required for staff and students if the Covid/Flu numbers begin to increase. Anyone inside the school may also be required to wear a mask.

This is our theme for the school year! Gladiators show excellence in all things we do! Excellence Is a habit at New Paradigm Glazer Academy.

### GOALS FOR THE 23-24 SCHOOL YEAR

#### PERFORMANCE

- 65% of students will meet/exceed their NWEA fall to spring growth targets in both reading and math.
- MSTEP/PSAT8 proficiency will increase in both ELA and Math by 20% for grades 3-8.
- The overall college readiness percentages will increase by a minimum of 10% on the Spring PSAT assessment.

#### ATTENDANCE

- Chronic absenteeism will decrease by 15% in comparison to the 2022-2023 school year.

#### INTERVENTION

- Students will have an average mastery of 80% or higher of skills during scheduled intervention time.

### Emergency Drills

We will practice fire, tornado, and active shooting drills with students. An emergency can happen at any time. We will practice drills rather it is rain or shine. This will help prepare students to know what to do before, during, and after an emergency.

## The School wide Getting Along Together Challenge for the week is to Stop and Stay Cool

This week our school-wide cooperative challenge is to use Stop and Stay Cool. Remember it is OK to have strong feelings but doing something such as yelling or hitting can hurt us or someone else. When your feelings thermometer is at a 10 you could try: going away from the person you're angry with for a while.

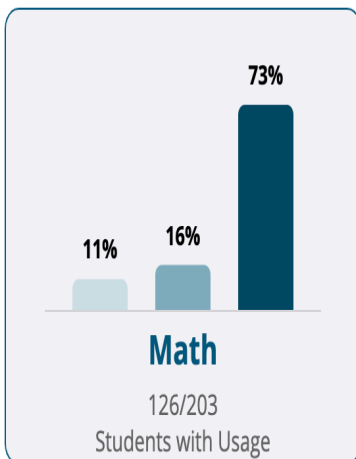

Shout out to these students for knowing the school wide challenge when asked! They earned a prize too! Way to go Alaula, Jeremiah, King and James!

EXACT PATH DATA WEEK #1 – The expectation is that students log into Exact Path at least 150 minutes per week in reading and in math. The goal is that they will master 80% of all skills attempted!

## How Much Time Do Students Spend on Their Learning Paths?

Time Period: Previous Week

<20 min per week     20-39 min per week     40+ min per week

## How Many Skills Have Students Mastered?

Time Period: Previous Week

## Read and Respond

Cortez	
Baker/Reambonanza	50%- Up 2%
Hall/ Balisco	86%
Hand	100%
Antonio	68.75% Down 4%
5 - Natividad	88% - up 44%
6 - Natividad	80%- Up 16%
7 - Natividad	70% - Same %
8 - Natividad	100% - Up 45%

Congratulations to 8<sup>th</sup> Grade for 100% Read & Respond Submission!!!

## Staff Spotlight – 1-8 Interventionist – Kristan Hall

### About Ms. Hall

I am Ms. Hall. This is my third year at Glazer Academy and my first year as an Interventionist/(Tutor).

I enjoy reading, bowling, traveling, spending time with friends and family, and crochet.

I am the proud mother of 3 daughters, 2 of which are twins attending College at Lincoln University in Pennsylvania and grandmother to my 5 year old grandson.

### My Favorites

Food; Crab Legs

Subject: Reading

Color: Pink, Green and Orange

Insect: Ladybug

Pet: Turtle
