

SUFFIELD POLICE DEPARTMENT

ROADWAY SAFETY DEVICE REQUEST FORM

Any modifications of traffic control devices, markings and/or signage on roadways within the Town of Suffield (whether state or locally owned or maintained) must be initially brought before the Local Traffic Authority (LTA), which, in the Town of Suffield (per Connecticut General Statute 14-297(6)), is the Suffield Board of Police Commissioners, for review. **Any Suffield resident requesting to have such an issue reviewed by the LTA shall complete this form (attaching any additional documentation as may be required) and present it *in-person* to the Suffield Board of Police Commissioners at one of their regularly scheduled monthly meetings. Request forms received in any other manner will be returned to the requestor.** The Suffield Board of Police Commissioners will complete or cause to be completed an appropriate inquiry into and / or assessment of the request / issue and provide the requestor with a timely written response as to its finding(s) and / or recommendation(s).
