An invitation to apply for the position of:

Assistant Superintendent for Curriculum and Instruction

The New Fairfield Public Schools is seeking an outstanding educator for the position of Assistant Superintendent for Curriculum and Instruction.

Our Schools

The New Fairfield Community takes great pride in its four schools located on two campuses within a quarter mile of each other. With a dedicated and talented staff, we provide a highly personalized learning experience for our students in partnership with our families. Our preK-5 campus is where students begin their journey and is the home of our Consolidated and Meeting House Hill Schools. As students transition to the secondary level, they continue their learning on the New Fairfield Middle / High School campus.

The future is bright for the children of New Fairfield. In 2022, we completed the new addition to the preK-5 campus and proudly opened our brand new, state-of-the-art high school in September 2023.

As Board Chairman, Dom Cipollone, noted, “our community recognizes the importance of providing an environment that fosters learning, creativity, and personal development.”

About the Town of New Fairfield

Located on the shore of Candlewood Lake, New Fairfield is a place of uncommon natural beauty in all seasons. Bordering New York State, with the city of Danbury to the south, the town of Sherman to the north and Candlewood Lake to the east, New Fairfield is a community of 13,579 residents and 25.3 square miles. New Fairfield was incorporated in 1740. Major commuting routes include State Route 37, State Route 39 and Milltown Road from New York State.
Candidate Qualifications

- Holds advanced degree(s) in education along with CT 092 certification (doctorate and 093 certification desired, but not required);
- Possesses substantial experience as an Administrator or Instructional Leader at either the building and/or district level;
- Demonstrates strong expertise with vertical and horizontal curriculum work based on standards;
- Possesses extensive experience in organizing and facilitating differentiated professional development opportunities based on district needs;
- Holds minimum five (5) years teaching experience working collaboratively with students, colleagues and families;
- Demonstrates strong leadership in the use of data and evidence to inform decision making; and
- Possesses excellent communication and interpersonal skills to collaborate with stakeholders around a shared vision for learning.
