Compliment an Officer

One of the goals of the Suffield Police Department is to maintain a relationship of confidence between our officers and the community we serve.

Community feedback, in the form of compliments, provides an opportunity to learn more about how our officers are positively fulfilling their duties related to ability, skill, and dedication.

This form is to be used to compliment an officer on their performance. Should you have an issue you'd like to bring to the attention of the Suffield Police Department, then please fill out a Civilian Complaint Report located on our website.
