Bittersweet Student Ski/Snowboard Club Program

The Bittersweet Student Ski/Snowboard Club Program is designed to encourage members to improve their skiing or snowboarding skills. Each paid member will receive a membership card which entitles the student to receive one complimentary group lesson as well as a discount on lift tickets and rentals for skiing and snowboarding. All students, especially beginners, are encouraged to take lessons. **All students must be evaluated by Bittersweet Ski School staff before being allowed on any slope rated more difficult than the beginner area.** The evaluation consists of the students demonstrating their best skiing/riding skills on the beginner hill. Lessons and evaluations occur 4:00, 5:00, and 6:00pm on your ski club day.

All students must purchase a daily student lift ticket to use any of the hills, and must have an additional evaluation ticket if they are using any chairlifts.

<i>Evaluation Ticket Levels and Criteria</i>	<i>Terrain and Lifts Available</i>
No evaluation ticket Working on stopping and turning	Student remains in the beginner area serviced by tow ropes and Magic Carpets.

A word of caution: The evaluations are a guideline for the student, sponsor, parent, and area personnel to determine and encourage the student to learn a lifelong sport safely for themselves and others. **Snow conditions change and students must understand the importance of skiing and snowboarding under control at all times.**

The club sponsor is an integral part of making the program work. Helping the students understand how the evaluation process works is as important as organizing the student's paperwork and cards, setting up a weekly club day, helping students with lift tickets, rentals, etc., and safety on the hill. The sponsor's and the program's goals are the same - to make the student's visit a safe and fun learning experience.
