

Monitor your teen's grades

ParentVUE

<https://www.aps.edu>
(you will need your son or daughter's school ID number)

Teacher websites

Visit the teacher's webpage to get class work and homework information at Cibola's website below:

<https://cibola.aps.edu>

Under **Contact Us** at the top of our website, click on **Teachers**. If your teen is in Special Education, click on **Special Education**. You can then find your son or daughter's teacher. Please know that each teacher uses their websites differently. If you have questions, please contact the teacher.

All the WEB sites listed are operated by outside organizations.

Cibola Counseling Office

provides this information as a tool, but does not operate or have control over any of the sites.

Cibola High School

Tutoring Information and Websites

Finding A Tutor

Tutoring Websites and Online Options

Are you looking for a tutor?

In this brochure you will find information on various tutoring options. While we encourage students to attend tutoring to improve their academic standing, by providing this information, we do not endorse any one site or agency. Please use your own judgment and discretion when securing any contact with an individual not employed by Albuquerque Public Schools.

Potential Benefits of Tutoring

- Increased confidence
- Time management skills
- Better organization
- Reduced stress
- Planning skills
- Alleviate test anxiety
- Improve academic performance
- Improve study skills
- Dedicated time for academic focus
