The annual Elementary Trunk or Treat on October 26th was loads of fun for everyone! The Northridge staff, bus garage, PTO, Boosters, cheerleaders, sheriff's office, and many community organizations went above and beyond with costumes and decorated trunks! Even school board members Kate Creager (red riding hood), Geoff Wiggins (the big bad wolf) and Jayma Bammerlin (grandmother) along with Superintendent Dr. Michael (woodsman) participated in the theme of families and fairytales! Dear Northridge families,

As we approach the season of gratitude, I want to express my heartfelt appreciation for the incredible Northridge community. I am grateful for the unwavering dedication and resilience of our students, who continue to inspire us with their enthusiasm for learning and their ability to adapt to the ever-changing educational landscape. Their hard work and determination have not gone unnoticed. I am proud to lead a district with such remarkable young minds.

I am also thankful for the unwavering support of our families and community. Your involvement in your children's education, whether it's helping with homework, volunteering, or attending school events, is invaluable. Your ongoing partnership with our teachers and staff plays a significant role in the success of our students. The collaborative efforts of the Northridge community truly make our schools a special place for children to learn and grow. I look forward to continuing this journey with you all and am grateful for the strong bond that exists within the Northridge family. Wishing you a wonderful season of gratitude and connection.

Warm regards,

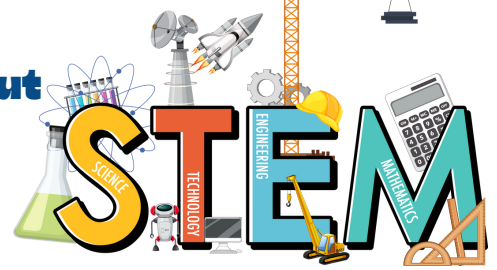

Dr. Kristine Michael
