A LETTER FROM THE PRESIDENT, MRS. MARY JOY HURLBURT

On behalf of our students, parents, faculty, staff and Board of Directors, I am proud to share with you the **St. Mary's Ryken High School 2016-17 Annual Report**. *Thank you* for your trust and support of our mission as a Xaverian Brothers-sponsored school.

Our academic excellence and focus on our Catholic identity has been sustained by the commitment and vision of generous donors whose gifts have improved campus facilities, strengthened faculty and academic resources, and provided access for students, regardless of their financial backgrounds. The following significant improvements were made possible in the past year:

- Facility improvements in every building on campus
- Additional security cameras to monitor the entire campus
- New Apple computers for the Student Lab
- Interactive media screen for the Media Center
- Renovation of the Band Room
- New heating boiler
- New tables in the Campus Café
- and many more!

We appreciate all that you do to share your time, talents and resources with our school community. In the coming year, there are many opportunities for you to make a difference at St. Mary's Ryken, including:

- Cash gifts
- Memorial gifts
- Income interest gifts
- Charitable remainder gifts
- Real estate, stock or other securities
- Planned giving and legacy opportunities including bequests and life insurance policies
- SMR events including the Knight Gala and Homecoming '18

For details about these opportunities, please visit www.smrhs.org/SupportSMR.

The generosity of many in 2016-17 affirms our community's commitment to helping us continue to offer a values-based, college preparatory, Catholic education to students in Southern Maryland. *Thank you!*

Gratefully,

Mary Joy Hurlburt
President and CEO

MISSION STATEMENT

St. Mary's Ryken is a Catholic, coeducational, college preparatory school community operated under the Xaverian Brothers' sponsorship dedicated to academic excellence and individualized student growth.

The St. Mary's Ryken Board of Directors helped to celebrate the groundbreaking of the new **Donnie Williams Center** in May 2017. Opening in 2018, the center will be the main location for athletic and school events, all school Masses, graduation ceremonies and community events.

▲ Vision, Belief, Pride Capital Campaign Steering Committee, from left: Christine Senese, SMA '72, Bob Taylor, RHS '68, Jeff Taylor '86, Shannon Rowland, Rick Wood (Principal), Kevin Murphy '91, Kim Burke, Jimmy Burke '86, Mary Joy Hurlburt (President), Mary Lynn Stone, Joe Stone

Vision Belief Pride Capital Campaign

Construction has begun on the new student activities complex named in honor of late alum Donnie Williams, RHS '71. The Donnie Williams Center, which will open in 2018, will provide 48,000 square feet of modern, spacious facilities for all types of school, community and sporting events. The center will include a gymnasium, locker rooms, training facilities, concessions, gathering spaces, stage, outdoor patio and common area for students.

Opening later in 2018 is the science, technology, engineering and math (STEM) facilities in Paschal Hall, which is an additional phase of this capital project. Modeled after university-level STEM labs, the SMR Innovation Lab will include a classroom, and build and collaboration spaces that will be available to all SMR students.

These areas will complement and enhance our Scholars Program, Project Lead the Way (PLTW), specifically the engineering track (with a focus on aerospace), the computer science track (with a focus on application development, robotics, cybersecurity and simulations), and the biomedical track (with a focus on modeling, data acquisition, public health, diagnostics tools and therapeutic strategies).

SMR's commitment to preparing our students with the skills that today's universities and employers expect requires that we continue to foster an environment that inspires collaboration, critical thinking, creativity and problem solving.

Visit www.smrhs.org/VBP to make an online gift to support the Donnie Williams Center or Innovation Lab in Paschal Hall today!

▲ We are very grateful to the Donnie Williams Foundation for supporting the Vision Belief Pride capital campaign and for helping to make the Donnie Williams Center a reality for the SMR community. From left: Mary Joy Hurlburt, Kimberly Roemer, Kirk Kinnamon, Allen Brown, Mark Granger, Rick Wood.

Thank you to the following individuals and organizations who graciously have shown their commitment and support of the Vision Belief Pride Capital Campaign!

Xaverian Brothers' Values Shaped the Path for Patrick Weiland, RHS '71

Patrick X. Weiland, RHS '71, grew up in Leonardtown, Md., and was one of eight children. He attended Father Andrew White for elementary and middle school, and then went on to Ryken High School (RHS). Pat was the first member of his family to attend college, and he received a state scholarship to help fund his tuition at Towson State University.

▲ Brother Hubbuck during his days as Ryken High School principal.

“Pat valued education and recognized how fortunate he was to have received a scholarship to enable him to attend college,” said Judy Weiland, Pat’s wife. Upon graduation from Towson in 1975, Pat went on to receive a double master’s degree in school psychology and special education.

From 1982 until his death in 2014, Pat served as a school psychologist in Prince George’s County Public Schools’ Transition program. This is a program that helps young

students with emotional and behavioral disabilities learn to monitor and control their emotions so they can re-enter the mainstream environment and access general education. “Pat dedicated his professional life to help these students re-integrate with their peers, which is the goal of the program,” said Judy.

“A scholarship in Pat’s name is a wonderful way to honor his memory by giving students an opportunity for a great education that they otherwise might not have been able to afford,” said Judy.

RHS was a special place for Pat that went far beyond attending classes and playing basketball. The influence of the Xaverian Brothers that fostered compassion, trust, the value of personal relationships and

▲ Pat Weiland and Brother Hubbuck during an RHS class reunion.

▲ Pat and Judy Weiland and Brother Hubbuch on the Weilands' wedding day.

individuality played an important role in Pat's career choice as a school psychologist.

According to Judy, Pat's relationships at RHS, in particular his special relationship with then-Principal Brother Cornelius Hubbuch, helped shape Pat's sense of empathy and sensitivity toward his special education students and their families.

"Pat was a student at RHS while I was principal of the school," said Brother Hubbuch, CFX. "As often happens with us Xaverian Brothers, my relationship with Pat began as a mentoring relationship. Pat continued the relationship while he was

getting his degree from Towson University, and after he graduated, the relationship became a lasting, mutual friendship between two men intensely interested in helping young people mature and use their God-given talents and gifts."

"Pat used his sense of humor to bring out the best in young people," said Judy. "He kept himself up to date on the lingo kids used, the fashion and the music. He always wanted the students to feel like he understood them." Pat had a true sense of empathy for the students and their families and often gave examples of his own personal challenges, which made him so relatable to the students.

After graduation from RHS and through his adult life, Pat stayed engaged with St. Mary's Ryken by maintaining the deep friendships he had formed at RHS, attending alumni functions and supporting the St. Mary's Ryken Annual Fund.

"My hope for the students that receive the Patrick Weiland Scholarship is that they will recognize the value of receiving a great education and apply themselves to their fullest potential," said Judy. "I also hope that they embrace the values instilled by the Xaverian Brothers that shaped Pat's formative years and played such an important role throughout his life."

Profile of Faith

THE TRENT FAMILY

James “Jim” Trent Jr. was a man of faith and a devoted servant of God. He was a pillar in the community for his ministry at Immaculate Heart of Mary Catholic Church in Lexington Park, Md., for six decades and for his service to others throughout Southern Maryland. But his most important role was alongside his wife, Lois, raising 10 children in the Catholic tradition.

Growing up in the Trent household meant you were never lonely or bored. With two intelligent and creative parents, there was always something to learn and do. Lois, an English major and librarian, shared her love of books with her children and still volunteers today to share that passion with others. She provided the creative side of family life with arts and crafts, baking, sewing — everything that would teach them how to express themselves through art and how to live independently one day.

Jim was an engineer and loved math. Beth Trent '84 said, “Dad could fix anything!” And because of his mechanical mind he was also talented in woodworking and carpentry. Teaching his kids how to build and repair things so they would be more self-sufficient was very important to Jim. His favorite activity was restoring cool old cars, a passion he passed on to his sons and sons-in-law.

As the first anniversary of the passing of their beloved father last December approaches, the family reflected on what they learned from their dad. Chris Trent '83 recalls his dad's whimsical smile, his never-ending wit and wisdom, and, most of all, his dad's deep appreciation for all of his life's blessings. This sentiment, shared by all of the siblings, led to the creation of the James Trent Memorial Scholarship at St. Mary's Ryken this past summer.

Having received a strong Catholic education and foundation from their parents, the Trent kids understand that the gift of education is one of the most important gifts one can give to another. With the establishment of this scholarship, their father's legacy and concern for others less fortunate will carry on. It will be awarded to an incoming freshman with

a love of math who shows financial need, preferably from Immaculate Heart of Mary, where Jim left an indelible mark on the parish. Anne Trent Russell '76 said, “He would be humbled because he was a modest man, but he would be glad that this scholarship will help a young person who needs it.”

Talking with a family of 10 about fondest memories stirs great stories about camping trips, nightly conversations around the dinner table, playing in a sand pile and the sheer joy of having a swing set in your backyard! Connie Trent '88 remembered

working with the family on shared tasks like producing a large batch of silk-screened Christmas cards by hand, decorating the tree and setting up the nativity scene. Laura Trent Stein, SMA '77, recalled how their dad took out his vial of holy water and blessed the tree and nativity scene each Christmas, and read a blessing, Psalm 128:3: “*Your wife will be like a fruitful vine deep within your house; your children like olive plants around your table.*” And today, those loving relationships that make up the Trent family are stretching out their hands and extending that love to others, just as their father would want it.

St. Mary's Ryken *Scholarships*

The following families established scholarship funds this year in memory of their loved ones. These gifts represent a JOY-filled remembrance of St. Mary's Ryken's impact on their families. In addition, these gifts will allow students to attend SMR who might otherwise not have the resources for such an educational opportunity.

STERLING FAMILY SCHOLARSHIP

The Sterling family created a family scholarship in November 2016 in honor of the tradition that started with their father and his siblings when all 17 Sterling children attended St. Mary's Academy beginning in the 1930s. It continues today at what is now St. Mary's Ryken. The torch of faith, academics and athletics has passed from one generation to the next. By providing this scholarship, the Sterling family plans to keep the tradition of a St. Mary's Ryken Catholic education alive and give others the gift in which they have received. Yearly, a \$1,000 scholarship award is granted to a needs-based student from a public or private middle school. The only requirement is the desire of the student to attend SMR.

JAMES D. TRENT JR. SCHOLARSHIP

This scholarship was established in 2017 by the Trent family in memory of their husband and father, James Trent Jr., who sent nine of his children to St. Mary's Academy, Ryken High School or St. Mary's Ryken. The scholarship will provide \$1,000 of tuition support each year for four years to a student with an interest in mathematics who has financial need. A student from a family who belongs to the Immaculate Heart of Mary Church is highly desirable but not required.

PATRICK X. WEILAND SCHOLARSHIP

Judy Weiland established this scholarship in loving memory of her husband, Patrick Weiland. Mr. Weiland had the amazing gift of bringing out the best in young people, and he dedicated his professional life to troubled youth, helping them to see their potential. The scholarship is for academically talented youth who need financial assistance.

Sharing Your *Service*

THANK YOU TO OUR VOLUNTEERS.*

Parents — past and present — alumni, faculty, staff, friends and loyal supporters, your commitment and spirit help to power successful events and activities that draw all of us closer as a school community.

You share your time, expertise and helping hands to our clubs, student groups and athletic teams. You organize, decorate, fundraise and clean up at our events. You help our students afford, attend and participate in hundreds of SMR clubs, sports and activities.

Your generosity of spirit, time and talents is so deeply appreciated.

Generation After Generation

THE TRADITION OF A CATHOLIC EDUCATION IS AN UNWAVERING PRIORITY FOR THE STERLING FAMILY

Last year, **Christine Senese, SMA '72**, and her nephew, **Will Sterling III '95**, decided to take their family's long-standing commitment to St. Mary's Ryken and Catholic education a step further. They established an annual \$1,000 scholarship for students to honor their family's tradition of sending children and grandchildren to SMR. They are also naming a room in the new Donnie Williams Center in memory of **Will Sterling Jr., RHS '70**, who is the late brother to Christine and dad to Will.

"Will and I were reminiscing about what SMR had done for us, how our high school experiences positively impacted our adult lives and how many members of the Sterling family had attended SMA/RHS/SMR over the years," said Christine. "Establishing a scholarship in our family's name seemed like one of the best ways we can give back to the school and honor our ancestors who started the tradition."

The history of SMR and the Sterling family goes back to Christine's grandfather, Lynwood Sterling, who came to Leonardtown from the Eastern Shore in the late 1800s. He married a graduate of St. Mary's Academy, Ruth

▲ Christine's dad, William O.E. Sterling, taken around the time of his high school graduation.

Camalier, and they had 17 children. Devout Catholics, Lynwood and Ruth made sure that their children attended Catholic school (at the time St. Mary's Academy). Their children, in turn, did their best to send their children to Catholic school, and so on and so on. "As of today, five generations of the Sterling family have attended SMR," said Christine.

Christine attributes the huge positive influence on their family as the main catalyst for keeping the tradition alive.

"SMR provided an excellent academic foundation for all of us. At the same time, the mission of SMR's faculty is to help students develop personally and spiritually.

▲ In 1995, Will Sterling III '95 works in a science lab with Brother Romuald.

Developing a positive self-image and the belief that we are all important in God's eyes is a core part of the curriculum and the reason we were able to leverage the excellent academics into personal success."

"At the most fundamental level, our goal for the scholarship recipients is that they take advantage of the incredible educational opportunities SMR makes available to students," said Will Sterling III.

Christine adds: "I hope they make the kind of lifelong friendships with their classmates that I was fortunate to make and still have 45 years since my graduation in 1972."

The Sterling family purposely did not add GPA or religious requirements as part of the scholarship criteria because they believe an SMR education should be available to any student who has the desire to attend the school and who is willing to work hard. "Having students of different faiths, cultures and abilities makes the school a better place to learn and grow!" said Christine.

"Our family is also very proud and excited to support the new Donnie Williams Center because it is the logical next step in the school's facility plan," said Christine, who is a member of the SMR Board of Directors. "This building is a wonderful opportunity to support the school's future and for our family to honor the memory of my brother."

▲ Will Sterling III '95

▲ Christine pictured here (front row, on the far left) with the SMA Class of 1972 during their 25 year reunion.

St. Francis *Xavier* Society

The St. Francis Xavier Society recognizes those members of the St. Mary's Ryken family whose total giving to SMR during the 2016-17 fiscal year equals \$1,000 or more. These donors play a key role in making the SMR mission possible. We are forever grateful for their continued support at this level.

Ernie and Anne Bell are #KnightProud!

Ernie '59 and Anne Drury '62 Bell probably bleed blue and green. Although that might be a slight exaggeration, SMR has become part of their DNA, and their entire family is an important part of the fabric of this community. On campus, they are legends and known by all who work here!

Ernie comes from a proud family educated by Xaverian Brothers from their early beginnings at Leonard Hall Junior Naval Academy until high school. In his freshman year he attended Mount St. Joseph High School in Baltimore. After Ryken High School (RHS) opened in the fall of 1956, Ernie became the first Bell brother to graduate from RHS. Their roots extend beyond RHS as his mother, sisters and his grandmother all attended St. Mary's Academy (SMA).

Ernie was inducted into the St. Mary's Ryken Athletic Hall of Fame in its inaugural year, 1981. Ernie remembers playing basketball in the new gym in Paschal Hall in the 1956–1957 season. And today you can still find Ernie (and often Anne) cheering on the Knights from his “spot” in the bleachers, where he and fellow alumni gather each game.

Anne's legacy includes three sisters and a brother who attended SMA and RHS. Back then, the academy was the ultimate global experience for young women. Students from around the country came to St. Mary's Academy for a proper education, and due to the proximity of the naval air station at Patuxent River, they had classmates from foreign countries decades before an international student program debuted at SMR.

So when an SMA girl fell in love with an RHS boy, the legacy continued. When asked how they felt about the merger of SMA and RHS in the 1980s to form SMR, both were pleased that the outcome saved both schools from closing just in time for their four boys to receive an excellent

Catholic education from SMR: Joe '85, Michael '88, Patrick '90 and Steven '95.

Oh, how the times have changed from the small campus that Ernie Bell entered his sophomore year in 1956. The Bells, along with their four sons and four grandchildren, have grown with our community. They have an unwavering *Vision* for SMR's future. After six decades, they delight in coming on campus to see their alma mater flourish — and now their youngest grandson, Connor, a member of the freshman Class of 2021, joins the Knighthood, following in his family's footsteps.

Their Catholic faith and upbringing have instilled in them charitable hearts. The Bells make it their mission to serve God by serving others. Whether it's in the local

community or on our campus, they are generous with their time, talents and treasure. Coupled with strong academic offerings, college preparedness and a service-oriented education, their *Belief* in SMR has maintained their commitment to our mission and led them to make an investment in its future. We are grateful!

Last year, Ernie and Anne decided to honor their nephew, Francis (Frannie), who tragically died his senior year (1980) in a car accident, by naming the boys locker room in the Donnie Williams Center after him. Frannie was a star athlete at RHS, and we are humbled they chose to remember him in this way.

Pride in their alma mater sums up the Bells. We look forward to seeing them both at the opening basketball game in the new Donnie Williams Center in 2018. Ernie's legacy is coming full circle from when he played his first basketball game in Paschal Hall to the day he will get to cheer on the Knights at the first game played in the new complex, 60 years later. #KnightProud!

▲ Anne and Ernie Bell with their grandson Connor '21.

Thank You!

Thank you to all of the donors who helped to strengthen the financial future of St. Mary's Ryken.

Nurturing extraordinary students and faculty takes extraordinary resources! Donations to the St. Mary's Ryken Annual Fund enriches the lives of each Knight through the important work of preparing leaders, growing spiritually through faith and service, creating art in all its glorious forms and providing a challenging 21st century curriculum. Your support gives us the resources to be able to say YES as opportunities arise to provide for our students, faculty and campus.

When you make a gift to the SMR Annual Fund, you can earmark it for a particular area: arts, campus ministry, humanities, professional development, tuition assistance or the student life fund, to name a few! The amount you are able to give may vary, and the areas you choose to support may change. But your commitment to giving every year provides the sustainable base of support that allows us to make a difference every day.

Help us to answer YES when we are called to be extraordinary! You can make a difference today with the enclosed envelope or visit our website at www.smrhs.org/Support. Your gift, no matter what the size, will have a positive impact.

Annual Fund *Giving* Circles

Donors to the 2016-17 Annual Fund

The lists below do not include Vision Belief Pride Capital Campaign, Scholarships, nor Event Sponsorship donations.

Trustee \$10,000-\$24,999

PLANNED AND LEGACY GIVING OPPORTUNITIES

A planned gift is any major gift, made in lifetime or at death as part of a donor's overall financial and/or estate planning. Planned gifts enable philanthropists to make larger gifts to nonprofits than they could make from their income alone. While some planned gifts provide lifelong income to the donor, others use estate and tax planning techniques to provide for charity and other heirs in ways that maximize the gift and/or minimize its impact on the donor's estate. If you

have any questions about planned giving, bequests or life insurance giving options, please contact Jerrilyn Borneman, associate director of development, at jerrilyn.borneman@smrhs.org or 301-373-4162.

The Annual Report reflects gifts received during the fiscal year 2016-17. If there are any errors or omissions, please accept our sincere apologies, and contact the Development Office at advancement@smrhs.org or 301-373-4162.

In May 2017,
 339 
 students took 710
 AP exams
 in 27 subjects.
