Each bargaining unit employee shall be assigned a fixed, regular, and ascertainable minimum number of hours in the work day and minimum number of days in the work week.

7.1.1 A snow day is considered a regular work day for 12 month employees, regardless of school closure.

7.2 Reduction in Assigned Time

Any Reduction in assigned time shall be considered a layoff.

Notwithstanding Article 7.2, 7.19, or 8.1 the District may fill a vacant position with fewer hours. The impact of this decision shall not be subject to negotiation. This section shall not apply to positions six (6) hours or more.

7.3 Adjustment of Assigned Time

Any employee in the bargaining unit who works an average of thirty (30) minutes or more per day in excess of his/her regular assignment within classification for a period of twenty (20) consecutive working days or more at the District's direction, shall have his/her regular assignment adjusted upward to reflect the longer hours, effective with the next pay period.

7.4 Meal Period

A non-compensated meal period shall be provided all employees in the unit who render service of at least five (5) consecutive hours. The length of the meal period shall be determined by the immediate supervisor, and shall be not less than thirty (30) minutes or more than sixty (60) minutes. The immediate supervisor shall assign the meal period to be taken as near the middle of the shift of the employee as possible, unless the employee and the immediate supervisor agree otherwise.

7.4.1 An employee required by the District to work during his or her meal period shall receive pay at the rate of time and one-half for all time worked during the normal meal period.

7.4.2 Meal periods may be waived in writing by mutual consent of the unit member and site administrator for employees who work less than six (6) consecutive hours. The written agreement shall state that the unit member and/or site administrator may revoke the agreement at any time. This revocation shall be in writing.

7.5 Rest Periods

- 7.5.1 All bargaining unit employees shall be granted rest periods which, insofar as practicable, shall be in the middle of each work period, at the rate of fifteen (15) minutes per three and three-quarters (3-3/4) hours worked, or major fraction thereof, as scheduled by the employee's immediate supervisor.
- 7.5.2 Rest periods of a total of thirty (30) minutes in evening or special work shifts may be scheduled by the employee's immediate supervisor.
- 7.5.3 Rest periods are a part of the regular work day and shall be compensated at the regular rate of pay for the employee.

7.6 Overtime and Compensatory Time

- 7.6.1 Determination of pay or compensatory time off for overtime worked shall be by mutual agreement between the employee and his/her supervisor BEFORE the time is worked. All overtime hours or compensatory overtime shall be compensated at a rate of pay or compensatory time off equal to one and one-half (1-1/2) the regular rate of pay or time. Overtime or compensatory overtime is defined as any time worked in excess of eight (8) hours in any one day or any one shift or in excess of forty (40) hours in any calendar week. Less than eight (8) hour employees will be compensated at regular rate of pay or compensatory time hour to hour until the eight (8) hour day or forty (40) hour week is reached.

If compensatory time has been agreed to but not taken by an employee by the end of the school year in which the overtime was earned, the employee shall be compensated for the overtime in cash at the proper rate (1-1/2 or regular by no later than June 30 of that current school year).

- 7.6.2 All hours worked on holidays designated by this Agreement shall be compensated two and one-half (2-1/2) times the regular rate of pay.
- 7.6.3 The employee shall be responsible for turning in the compensatory time worked monthly during the timecard period in which the work occurred. Any compensatory time turned in after 30 days of date worked will not be accepted.
- 7.6.4 The employee may request to rollover compensatory time with mutual agreement by the District. Requests to rollover compensatory time must be received by the Human Resources Department in writing no later than May 15th.

7.7 Overtime, Extra Time and Flex Schedule Distribution Among Employees in the Bargaining Unit

In distributing overtime, extra time and flex schedule work to employees in the bargaining unit within each classification and job site, the District shall consider seniority within the bargaining unit, qualifications of employees necessary to do the particular task for which overtime and extra time is being assigned, and the needs of District.

- 7.7.1 Flex Schedule: Unit members that on a volunteer basis shift their work week upon request by their supervisor to include a weekend shall be compensated at a rate of \$75 per weekend day worked in addition to their hourly rate. For example: A unit member that works a Tuesday-Saturday work week, would be compensated \$75 for their Saturday shift. The flex schedule shall state the unit member and/or supervisor may revoke the agreement at any time. This revocation shall be in writing.

7.8 Minimum Call-In Time

Any employee in the bargaining unit called in to work on a day when the employee is not scheduled to work shall receive a minimum of two (2) hour's pay at the appropriate rate of pay under this Agreement and such pay shall continue to be paid in one-half (1/2) hour increments for any employee called in who works on the day called beyond two (2) hour.

7.9 Minimum Call-Back Time

Any employee in the bargaining unit called back to work after completion of the regular assignment of hours shall be compensated for at least two (2) hour's pay at the appropriate rate of pay under this Agreement and such pay shall continue to be paid in one-half (1/2) hour increments for any employee called back who works on the day called beyond two (2) hour.

7.10 Right to Refusal

Any employee in the bargaining unit shall have the right to reject any offer or request for overtime or call-back, on-call, or call-in time.

7.11 Substitute Employees

Whenever possible, with the agreement of the site principal, substitute positions shall be filled by unit members currently employed at the school site where the substitute is needed and where the substitute would have been utilized.

7.12 Temporary Class Reassignment

Whenever a unit member is assigned to work in a class which is at a higher pay range, the unit member shall receive pay at the step of the higher range which represents an increase in pay for the entire period worked in the higher class for that period of time.

7.13 Hourly Increase of Positions

Except for the lay-offs and reduction in hours, if the hours for a specific position are increased, the increased hours shall be awarded to the person occupying that position. This provision shall not be read so as to preclude the establishment of new positions at the District's discretion.

7.14 Hours Worked

For the purpose of computing the number of hours worked, all time during which an employee is in paid status shall be construed as hours worked

7.15 Custodian Summer /Non-student Contact Days

Twelve month employees will have the option with the agreement of the supervisor to work four (4) ten (10) hour days.

7.16 Beginning of School Year In-service Schedule

During the week before school opens for the new school year, secretaries, health clerks, custodians and cooks will attend the opening meeting for not more than one (1) hour. The principal will designate one (1) office staff member to keep the school office open during the meeting.

ARTICLE 8

Layoffs

- 8.1.1 In the event of a need to lay off or reduce hours of unit members, the District shall notify the Association of its intended action and, upon request, shall meet and negotiate concerning the impact of a layoff and the decision to reduce hours.

Notwithstanding Article 7.2, 7.19, or 8.1 the District may fill a vacant position with fewer hours. The impact of this decision shall not be subject to negotiation. This section shall not apply to positions six (6) hours or more.

8.2 Layoff Procedures

- 8.2.1 Bargaining unit members shall be subject to layoff for lack of work or lack of funds. Whenever a bargaining unit member is laid off, the order of layoff within the class shall be determined by length of service. The bargaining unit member who has been employed the shortest time in the class, plus higher classification within the class, shall be laid off first. Re-employment shall be in the reverse order of layoff. "Layoff for lack of funds or layoff for lack of work" includes any reduction in hours of employment or assignment to a class or grade lower than that in which the bargaining unit member has permanence, voluntarily consented to by the bargaining unit member, in order to avoid interruption of employment by layoff.

- 8.2.2 For purpose of this provision only, the term "class" and "higher classes" shall refer to those classes of this agreement in which the bargaining unit member has permanent status. Permanence is defined pursuant to the practice of the District (see attachment list of job classes).

8.2.3

Options of Unit Members Notified of Layoff: The District shall notify a unit member whose position has been reduced or elimination that she/he may elect one of the following within five (5) working days of receipt of notice. Except for options (6) and (7), the following options are listed in priority order, and the unit member must select the first applicable option. The unit member has the right to select options (6) and (7) regardless of availability of other options listed:

(1) Select a vacant position in the same class which is equal in pay and number of hours of employment. A vacant position is a position which is unfilled and which the District intends to fill or a newly created position within the same class.

(2) Displace a less senior employee from a remaining position in the same class which is equal in pay and number of hours of employment.

(3) Select in another class a vacant position in which the employee has previously completed the probationary period, which has an equal amount of hours of employment, and for which the employee possesses the required licenses or certificated.

(4) Displace the least senior employee in another class from a remaining position in which the employee has previously completed the probationary period, which

has an equal number of hours of employment, and for which the employee possesses the required licenses or certificates.

(5) Select options (1) through (4), which have fewer number of hours of employment.

(6) Elect to be laid off.

(7) Elect a service retirement.

- 8.2.4 When a vacancy exists, a bargaining unit member may take a voluntary demotion or voluntary reduction in assigned time in lieu of layoff, provided that such bargaining unit member is qualified to perform the duties of the position, and provided further that the District approves such demotion or reduction in time. Such approval shall not be withheld by the District for arbitrary or capricious reasons.

8.3 Seniority

- 8.3.1 District seniority shall be determined by date of hire as a probationary classified employee in a class. Length of service in a class shall be based on the date the unit member began working in the class as a probationary employee in a class. Thus if an employee works in one class he or she will obtain seniority in that class which is separate from seniority earned in another class if the employee moves from one class to another. Thus, an employee could have separate seniority in the food service class and the transportation class. Seniority is not based on date of employment in the District but is based on date of employment in a class. - 13.5.6 When entitlement to industrial accident or illness leave has been exhausted, entitlement to other sick leave will then be used. But, if an employee is receiving Workers' Compensation, the person shall be entitled to use only so much of the person's accumulated sick leave, accumulated compensating time, vacation, or other available leave, which, when added to the Workers' Compensation award, provides for a full day's wage.
- 13.5.7 This section shall, in all other respects, conform to Education Code §45192.

No absence under any paid leave provisions of this section shall be considered as a break in service for any classified employee who is in paid status and all benefits accruing under the provisions of this agreement shall continue to accrue under the absence provisions of this agreement.

Any unit member may elect to use up to seven (7) days of his/her accumulated sick leave in any school year for purposes of Personal Necessity.

Personal Necessity shall be used for circumstances that the unit member cannot reasonably be expected to disregard and that require personal attention during hours of service.

Unit members will give reasonable advance notice to site administrators as circumstances permit. No advanced notice is required for the following:

- a. Death or serious illness of a family member (leave not covered in Article 13.1 or 13.4).
- b. Funeral (leave not covered in Article 13.1)

The unit member shall within ten (10) days after such leave, file a statement on a District form describing the conditions the member considered cause for personal necessity, and shall furnish such verification of proof as the District Superintendent or designee may require.

Personal Leave shall not apply to the floating holiday in lieu of Cesar Chavez Day; however, unit members shall comply with the “mutual agreement” provision of Article 11.1.2.

13.7.1 Personal Necessity Leave may be taken in no less than one-half hour increments.

Personal Leave shall not apply to the floating holiday in lieu of Cesar Chavez Day; however, unit members shall comply with the “mutual agreement” provision of Article 11.1.1.

13.10 Education Leave

The Superintendent or designee may grant paid Education Leave. Education Leave may be granted for up to fifteen (15) working days for the improvement of educational opportunities for unit members. Requests for such leave must be submitted to the Superintendent in writing, include rationale and be

13.11 Catastrophic Leave

1. For the purposes of this article the following terms are defined as follows:
 - “Catastrophic Illness” or “Injury” means an illness or injury that is expected to incapacitate the unit member for an extended period of time, or that incapacitates a member of the unit member’s family (i.e. a spouse, child, mother or father of the unit member) which incapacity requires the unit member to take time off from work for an extended period of time to care for that family member (i.e. a spouse, child, mother or father of the unit member), and taking extended time off work creates a financial hardship for the unit member because he or she has exhausted all of his or her Sick Leave, Vacation Leave, Comp Time and other paid leaves, excluding differential pay.
 - “Committee” is the committee consisting of two (2) CSEA representatives appointed by the CSEA President and two (2) District representatives appointed by the Superintendent.
 - “Day” is a calendar day.
 - “Bank” the account that holds all donated Eligible Leave Credits.
 - “Eligible Leave Credits” means Sick Leave accrued to the donating unit member.
 1. Eligible Leave Credits may be donated to a unit member for a catastrophic illness or injury if all of the following requirements are met:
 - a. The unit member who is, or whose family member is, suffering from a Catastrophic Illness or Injury requests that Eligible Leave Credits be donated and provides verification of catastrophic injury or illness as required by the committee.
 - b. The committee determines that the unit member is unable to work due to the unit member’s or his or her family member’s Catastrophic Illness or Injury
 - c. The unit member has exhausted all accrued paid leave credits.
 - d. Eligible Leave Credits may only be donated while the unit member is employed and may not be donated after a unit member has submitted a resignation or is within ninety (90) days of retirement.
 - “Bank Request Form” is the form that must be completed and submitted to the Human Resources Department in order for the Committee to consider the request.
 - “Bank Recipient” is a qualified unit member that is given Eligible Leave Credits from the Bank.
2. A unit member who has been continuously employed by the District for one (1) year and who has exhausted his/her entire balance of Sick Leave, Vacation Leave, Comp Time and all other paid leaves, excluding differential pay, if any, and who has been absent from work for twenty (20) consecutive working days (including time off from work on Sick Leave) due to an illness or injury which is not covered by Industrial Accident and Illness Leave or workers’ compensation leave, (the qualified unit member) is eligible for the benefits of this article. A unit member who is absent from work under the provisions of Industrial Accident and Illness Leave or workers’ compensation leave is not a qualified unit member under this article and is not eligible for the benefits of this article.
3. Upon completion and submission by the unit member of the Bank Request Form to the Human Resources Department, the Human Resources Department shall issue to all unit members a “call for donations” for Eligible Leave Credits. The “call for donations” shall not specify the name of the requesting qualified unit member. Unit members may, within ten (10) days of the issuance of the “call for donations,” respond thereto and request in writing that the Human Resources Department transfer to the Bank up to, but no greater than, five (5) days of Eligible Leave Credits from the responding unit member to the Bank. A maximum of ten (10) days per school year per

responding employee may be donated. The responding unit member must maintain a balance of 15 days of Sick Leave after responding to a “call for donations.”

- a. Unit members may also donate Eligible Leave Credits to the Bank when no requests are pending.
4. The Committee will meet to review the Bank Request Form. All four Committee members must be present and a decision shall be made by majority vote.
5. When a request is granted the dollar value of the Eligible Leave Credits of the responding unit member shall be calculated and translated into the appropriate amount of paid leave for the Bank Recipient based on the qualified unit member’s rate of pay.
6. A Bank Recipient may submit subsequent Bank Leave Request Forms, not more than once every thirty calendar (30) days.
7. All transfers of Eligible Leave Credit are irrevocable. If the Bank Recipient returns to work, then any leave credited to the Bank Recipient shall be returned to the Bank.
8. The maximum amount of time for which donated leave credits may be used is three (3) consecutive months.
9. The Bank Recipient shall use any leave credits that he or she continues to accrue on a monthly basis prior to receiving paid leave pursuant to this article.
10. A maximum of \$20,000 per school year will be paid by the District for any or all Catastrophic Leave used under this article. Upon payment of \$20,000 in any school year no more Catastrophic Leave will be provided and no more “calls for donations” will be issued. The District will not be required to compensate the Bank Recipient for committee approved requests that exceed the dollar value of the accumulated Eligible Leave Credits.
11. CSEA shall indemnify, protect and hold the District harmless from any and all claims, expenses, demands, causes of action, liability, loss or injury of any kind or nature whatsoever arising out of or relating to any alleged or actual misinterpretation, violation or misapplication of this program.
12. All decisions the committee as described in this article are final and such decisions are not subject to the grievance procedure.

13.12 Involuntary Transfers

- 13.12.1 An involuntary transfer may be made at any time in the best interests of the District, provided such a transfer is not made for punitive, arbitrary, or capricious reasons.
- 13.12.2 A unit member, upon request, will be provided with the opportunity to discuss the transfer with the appropriate administrator. If the unit member is not satisfied with the results of this meeting, the unit member may request a meeting with the Superintendent.
- 13.12.3 An involuntary transfer shall not change the unit member's regular salary rate or benefits.

13.13 Lateral Transfers

- 13.13.1 Will be resolved as follows: When an existing position becomes vacant, the District shall first offer the opportunity to transfer to such position to unit members serving in the same classification.

The District may elect not to honor a request for lateral transfer.

Such election shall be sustained only if it can be demonstrated that the pending transfer would have a negative effect on either the current or new work site.

All such vacancies shall be posted by the District for not less than 5 working days at all work locations prior to being filled. A unit member in the classification being posted, who is seeking a lateral transfer, may apply by filling out the appropriate bulletin job posting. This written notice will be submitted to the Human Resource Department. If more than one employee wishes to be transferred to a particular vacancy, qualifications being otherwise equal, seniority within the unit and the needs of the District's program shall be considered in determining who shall receive the transfer. (See Article 4.1.1.)

13.13.2 For unit members classified as aides, the District shall allow one lateral transfer and thereafter may advertise the vacancy for applications from outside the unit. However, at the end of the school year the District will declare the vacancies filled from outside the unit to be open for lateral transfers pursuant to the above provisions.

13.13.3 This section shall be applied in accordance with all Federal and State laws.

13.13.4 Any employee on leave or off for the Winter, Spring, or Summer recess during the period of the posting who wishes to be notified to a non-district email address must give written notice to the Human Resources Department and shall be emailed the bulletin on the date the position is posted.

13.13.5 An employee on leave shall have the right to have CSEA apply for the transfer in his/her behalf.

13.13.6 With the consent of the two site administrators and the Superintendent, any two unit members may choose to exchange positions of the same classification and equal hours. Such requests shall be made in writing.

* This section shall automatically be removed from Article 13 and be of no further force and effect at midnight on June 30, 2022. Either the District or CSEA may open negotiations to discuss future implementation of the section.

13.13.7 If the result of a lateral transfer is an increase in hours that moves the employee within their classification from non-benefited (Less than 6 hours) to benefitted status (6 hours or greater), the administrator/supervisor has a 60 working days' grace period to determine if the transfer is a good fit. The administrator/supervisor will give feedback on performance and any areas of improvement within 30 working days in writing on a feedback form. If it is not a good fit the employee shall return to their former hours.

13.14 Medical Transfer

The District will attempt to transfer an employee to alternate work for which the employee is qualified when the same is available to an employee who has become medically unable to satisfactorily perform his/her regular job class duties. The alternate work may constitute promotion, demotion, or lateral transfer to a related class.

13.15 Transfer and Selection Guidelines

1. Job Announcements shall be posted on the District website and emailed to each unit member's district email account. A copy of each Job Announcement shall also be printed and posted on the designated classified bulletin board by the Site Secretary or designee at each site.
2. Posting to be open for 5 days. The definition of a day is any day the District Office is open. The Job Announcement with all required application material must be received in the District Office no later than the closing time listed. For benefited positions, the Job Announcement will be posted within 30 days of Board action of the vacancy.

Additional steps including testing for specialized skills and knowledge, reference checking, etc., maybe added at the discretion of the District.

The unit member shall then receive notice of openings by email. Such openings shall also be posted on the District website and available at the District Office. An employee on leave shall have the right to have CSEA apply for the transfer in his/her behalf.

ARTICLE 14

Grievances

14.1 Definitions

- 14.1.1 A "grievance" is a formal, written allegation by a grievant that he/she has been adversely affected by a violation of the specific provision of this Agreement.
- 14.1.2 A "grievant" may be CSEA or any classified employee(s) of the unit covered by the terms of this Agreement.
- 14.1.3 A "day" shall be any day that the District Office is open for business.

14.2 Procedures

- STEP 1: Before filing a formal, written grievance, the grievant shall attempt to resolve it by an informal conference with his/her immediate supervisor.
- STEP 2: In the event a grievance cannot be settled in this informal manner, the grievant shall present his/her grievance in writing to his/her immediate supervisor within five (5) days after the informal conference. The immediate supervisor shall communicate his/her decision, in writing, to the grievant and to CSEA within ten (10) days after receiving the written grievance. If no response is made within the time limit, the grievant may proceed to the next step.
- STEP 3: In the event that the grievance is not decided to the satisfaction of the parties, it may be appealed to the Superintendent or designee within ten (10) days after the decision has been rendered. Upon the request of either the grievant or the superintendent or designee, a conference concerning the grievance shall be scheduled within ten (10) days of the receipt of the appeal. The Superintendent or designee shall communicate his decision in writing to the grievant and CSEA within ten (10) days after the receipt of the appeal or the conference, whichever is later. If no response is made within the time limit, the grievant may proceed to the next step.
- STEP 4: If the grievance is not resolved at Step 3, CSEA may within ten (10) days after the decision by the Superintendent or designee was due or rendered, request that the grievance be submitted to mediation. Within 10 days, the parties will attempt to agree upon a mediator. If an agreement on a mediator is not reached, the parties shall, within 5 days, request the California Mediation and Conciliation Service to assign a Mediator to attempt to resolve the matter. If the mediation is not held within 90 days, either party may proceed to Step 5.
- STEP 5: In the event the grievance is not resolved at Step 4, CSEA may within five (5) days submit a request in writing to the Superintendent or designee for advisory arbitration of the dispute.

The grievant and the District shall attempt to agree upon an advisory arbitrator. If no agreement can be reached, they shall request the Office of Administrative Hearings or the State Conciliation Service to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until one name remains. The remaining panel member shall be the advisory arbitrator. The order of the striking shall be determined by lot.

The fees and expenses of the advisory arbitrator and the hearing shall be borne equally by the District and the grievant. All other expenses shall be borne by the party incurring them. The advisory arbitrator shall, as soon as possible, hear evidence and render a decision on the issue(s) submitted to him. If the parties cannot agree upon a submission agreement, the advisory arbitrator shall determine the issue(s) by referring to the written grievance and the answers thereto at each step. The advisory arbitrator will have no power to add to, subtract from, or modify the terms of this agreement or the written policies, rules, regulations and procedures of the District. After a hearing, and after both parties have had an opportunity to make written arguments, the advisory arbitrator shall submit in writing to all parties his findings and recommendations.

STEP 6: The Board of Education, alone, has the power to render a final and binding determination of a grievance. The recommendation of the advisory arbitrator shall only be advisory; and if, upon review, the Board of Education determines that it is unable to render a final determination on the record, it may reopen the record for the taking of additional evidence.

14.3 Conclusion

Before a final decision is rendered at any of the above steps, CSEA shall be given a copy of the grievance and the proposed decision and shall have a reasonable time to comment thereon.

ARTICLE 15

Safety

To the extent that it can, within fiscal and logistic constraints, the District shall comply with the provisions of the California Occupational Safety and Health Act, as amended, and regulations relating thereto.

15.2 Working Conditions

Employees shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health, safety or wellbeing. Any District required safety equipment or gear shall either be provided at no cost to the employee or the employee will be reimbursed the full cost of equipment or gear with prior Administrator/District approval upon submission of required receipts. The employee will be required to return all District paid gear and equipment upon separation with the District.

The Department of Industrial Safety has jurisdiction for inspection and enforcement of standards; therefore, any disputes arising to employees' safety will be exempted from the grievance process.

15.7 Non-Discrimination

No employee shall be discriminated against as a result of reporting any condition to be a violation of this Section.

15.8 Drug & Alcohol Free Workplace

To ensure that all employees are in compliance of Board Policy and that all employees as well as students have access to a safe environment, if there is reasonable suspicion that an employee is under the influence of drugs and/or alcohol the Superintendent or designee will require that the employee undergo a drug and/or alcohol test to ascertain if the individual is illegally under the influence.

For purposes of this article reasonable suspicion will be defined as “objective suspicion by a rational person based on specific facts and/or circumstances.”

15.8.1 Testing

Circumstances that may lead to random testing include but are not limited to direct observation of use or the manifestations of such use, including slurred speech, dilated pupils, erratic behavior, serious deterioration of work performance or a report of specific use, possession or sale.

- a. Employees who are subject to testing due to reasonable suspicion will be accompanied to an offsite facility for the testing. The employee will have the option to consult with a union representative prior to testing as long as the consultation with the union will not cause a delay in getting the test completed as the testing is time sensitive. If a union representative is not readily available, then the employee may elect to have a coworker be present during any questioning and/or discussion.
- b. Any tests that indicate the presence of drugs or alcohol shall be verified by a state licensed and certified testing facility using a split sample collection process. Testing will be at the expense of the District. An employee who has a negative test will be immediately able to return to work and will be compensated at their regular rate of pay for any work time missed due to the required testing.
