

Help us pave the way with our commemorative brick program.

Putnam Veteran's Advisory Committee is in the process of reconstructing the Veteran's Park at the intersection of Church Street and Bridge Street in Putnam CT.

As part of this project, we are establishing an honor/memorial site consisting of engraved bricks recognizing the service of veterans of yesterday and today.

All funds raised from this effort will be used to help in funding the construction of our Veteran's Park.

Please join us by having your service recognized or the service of a loved one honored.

Memorial bricks are striking gray with black letters.

Each 8"x 4" brick is \$100.00 including engraving and logo (if you choose to include logo).
