

**Eaton Community Schools  
Wellness Committee  
2023 Annual Review and Recommendations**

The Eaton Community Wellness Committee hosted the Annual Review Meeting at Eaton High School on April 20, 2023. This meeting was open to the public and posted on our website.

Our Wellness Policy 8510 was reviewed in detail by all participants with discussion regarding each area of the policy: nutrition education, physical education, physical activity and objectives for enhancing student health and well-being.

At this time, no findings were found that the policy needs to be updated. The following recommendations were made:

- Send Wellness Policy 8510 annually to all buildings as a reminder to implement the policy throughout the year.
- Committee will investigate if there is a healthy food vending machine.
