## MESSAGE FROM OUR PRINCIPAL

"Hello Everyone! This is Principal Gonzalez! The first quarter is in the books and I want to recognize all of our students who are working hard and staying focused on reaching their goals. As I walk into classrooms, I see students focused and engaged in their learning. You guys are doing an amazing job. I would also like to thank all of our parents and guardians for their support. Your work at home is an integral part to the success of students. Let's stay strong and focused."

## COLLEGE WORKSHOPS

College application deadlines are coming soon!

4 year universities have application deadlines until November 30.

## TEACHER OF THE MONTH

Mr. Moore is AniVation-Tech Academy's leader. He guides students through a 4-year program that covers IT Foundations, Networking fundamentals, Cybersecurity, and Software development. Beyond just the classroom Mr. Moore supervises student-run technology club where students are able to explore and engage with the latest trends of technology. His personal interests include teaching his daughter about robotics and engineering projects as well as playing video games and reading. "My personal goal as a teacher is to give that same curiosity and sense of purpose to the lifelong learning goals of my students."

**MR. MOORE**

"You have been a mentor for me for the entirety of my high school career. Since freshman year until now I have learned something new every day, constantly learning and growing because of you"

-Anonymous student

"I have had an amazing time with Mr. Moore and have learned so much. Mr. Moore has opened the door for my future by introducing me to cybersecurity. Mr. Moore has a great drive to teach and I have loved being in his class."
