Derek Phillips <dsphilli@lexrich5.org>
to Liesha

2:58 PM (2 minutes ago)

Hello Liesha-

This statement below is from our Chief Finance Officer Len Richardson regarding your request of "I am requesting access to and or electronic copies of the entire contract for construction at the new addition to the middle school near Spring Hill."

The contract has not been signed, sealed and delivered. The Board voted to let the district enter into the contract but it has not been finalized.

Thank you,
Derek

Derek
