Hello Ms. Huffstetler-

This is in response to your FOI request dated May 8, 2017 regarding "I am requesting all information regarding any meeting notices, public announcements notifying the public of a possible school on Amicks Ferry Rd giving the public a chance to give input about a new school in their vicinity. Please respond by email to me to let me know you have received this FOIA request."

The district does not have any documents of "meeting notices" or "public announcements notifying the public of a possible school on Amicks Ferry Rd. giving the public a chance to give input about a new school in their vicinity."

Thank you,  
Derek
