Dear Mr. Benson:

This letter is for your notice and legal protection, and the safety of our students, staff, and visitors. As per *S.C. Code of Laws, Section 16-11-620*, this letter is to inform you that you have been officially placed on "NO TRESPASS NOTICE" for the following facilities belonging to School District Five of Lexington and Richland Counties:

**Dutch Fork Middle and Dutch Fork High Schools, located at 1528 and 1400 Old Tamah Road, Irmo, SC 29063. This No Trespass Notice does extend to all school buses, bus lots, and all Dutch Fork Middle and Dutch Fork High School sanctioned events or games, including any events at a rented facility.**

Entering the above school district premises could result in arrest, and upon conviction, fines and imprisonment. All peace officers of the State and its subdivisions can enforce the provisions hereof within their respective jurisdictions.

If you have official school business, then please contact me at (803) 478-8000, or the appropriate school Principal **first** before coming on any school premises to arrange an authorized visit. All arranged visits, if any, must be approved and in writing from the school Principal or designee.

For inquiries about the SC "TRESPASS AFTER NOTICE LAW," I suggest you contact the Richland County Sheriff's Department.

Thanks for your cooperation on this matter, respectfully,

Michael Poole
