Katrina - there has been a series of emails on this subject and others.

I just want to be clear that I have not yet received any information about the action taken at the October 25 meeting i.e. the motion that was made in regard to the committee's selection, the vote and the name of the firm.

When can I expect that information?

Thank you,  
Kim

Katrina,

On October 29, 2018, I visited the District Office to pay a deposit on my FOIA request for costs involved with all costs related to purchasing the school site on Derrick Pond Rd. and designing and constructing a school on the site , as well as other records.

I noticed on the October 25, 2018 Agenda for the New Elementary School Selection Committee posted on the District Office window (image posted below).

I requested a copy of the September 18, 2018 Minutes that were approved, as well as action taken - the Motion and the vote on Item 6 "Vote on firm selection recommendation for Board approval" and the name of the firm selected.

A number of staff members were involved including Sharon and Erin, who were unable to provide the information at that time, and I was informed that I would be sent the information the next day (Tuesday Oct. 30).

I know you are very busy, but because I had not received the information as of 3:30 today (Oct. 31), I contacted your office. Sharon informed me that you would be emailing the information today.

Thank you in advance for your assistance in this matter.

Kim
