Ms. Clark:

This email is in response to your FOIA request submitted on Feb. 13, in which you wrote:

Ms. Goggins,

Mr. Gantt from the school board referred me to you, and I believe, copied his email to you for information.

I would like to know if I could be provided a list of properties owned by the school district, and those currently under contract for purchase/optioned for due diligence by the school district. We could exclude any active, functioning school. Addresses would be fine, but TMS numbers would be appreciated. Also, the title in which each properties is recorded. I am not interested in seller, price, etc etc. Just the identity of the properties.

This should not be an excessive request, and I doubt it warrants a charge due to intense research or volume of copies (I was a federal FOIA officer for 9 years), but if you find the need for a reasonable charge, please let me know. I look forward to hearing from you.

Please see the attached file, which includes the only existing document the district possesses in response to your request. There is no charge to fill this request.

Regards,

Ms. Goggins,

On Feb 13, 2019, I made a FOIA request, per instruction of Robert Gantt who copied you with his email to me. In my FOIA request, I stated:

Could you please acknowledge receipt as well as the time frame in which you will respond? Thanks.
