Dear Parents/Guardians,

This year we will be participating in the "Toys for Tots" campaign organized by the local Marine Corps.

If you would like to donate a new, unwrapped toy, please place it in any "Toys for Tots" bin. The bins are located in the elementary school. Toys should be for children up to age 14. Donations will be accepted until December 8, 2023.

The "Toys for Tots" requirements and guidelines for eligible families are listed on the reverse side of this memo.

If you have any questions, please contact the school counselor in your child's school. Thank you for your support in this project.
