

WASD ALLYSHIP NOVEMBER 2023 UPDATE

THIS MONTH:

Native American Heritage Month

Native American Heritage Month celebrates and honors the cultures, histories, and contributions of Native Americans. This month provides an opportunity to recognize the diverse indigenous nations, their traditions, art, and enduring legacy. It aims to foster understanding and appreciation of Native American cultures and the need for continued support and recognition of their unique place in American society.

DATES TO REMEMBER

November 1st & 2nd is Día de los Muertos also known as the Day of the Dead. It is celebrated widely in Mexico and honors deceased loved ones. Families create colorful altars (ofrendas) that include photos, favorite foods, and marigold flowers to welcome spirits back to the living world. A mix of Aztec traditions and Catholicism, Día de los Muertos promotes a joyful remembrance of those who have passed with food, music, and parades.

November 23rd is Thanksgiving Day. This holiday is celebrated in the U.S. on the fourth Thursday of November. It commemorates the Pilgrims' 1621 harvest feast with Native Americans.
