Scholarship Due Date: April 21, 2024

Devin Moe was a member of the Fergus High School Golf Team and tragically lost his life in a car accident while attending college. His grandparents, Tom and Ellen Moe, were members of Pine Meadows and both avid golfers. They felt that golf for youth was important and began a small fund to encourage kids to participate in the game of golf. We continue to honor Devin's memory through an annual golf tournament toward the end of summer. These funds help to support our youth golf program locally and also to provide a scholarship. With special help from Pine Meadows and the local community we are able to offer kids a life long sport that they can in turn teach to future generations.
