USIP (Unified School Improvement Plan): Audubon Elementary School, Columbia Elementary School, Midland Elementary School, Twain Elementary School, Galileo Middle School, Mann Middle School, Swigert Middle School, Mitchell High School, Palmer High School

Prepared and presented by Area Superintendents Sherry Kalbach, Bryan Relich, Darin Smith, and School Principals Aaron Ford, Stephanie Atencio, Karen Newton, Felicia Boudreaux, Julia Scott, Keri Lindaman, James Nason, George Smith, and Krista Burke.

Each school in Colorado is assigned an overall school performance rating every year based on student performance and growth on state assessments. Graduation rates and college matriculation are also considered for high schools. Following the assignment of performance ratings, each school must develop a Unified School Improvement Plan (USIP) that outlines targets for performance outcomes and strategies that the school will implement to improve student academic outcomes.

Our USIPs provide a focused improvement plan, including an analysis of student performance data and a detailed action plan. These plans must incorporate ideas and feedback from parents (from School and District Accountability Committees), be approved by the District 11 Board of Education, and be submitted to the Colorado Department of Education on or before October 16, 2023, for review.

2023-2024 UDIP (Unified District Improvement Plan)

Prepared and presented by Chief of Strategy & Data Acquisition Dr. David Khaliqi, Chief Academic Officer Tamara Acevedo, Director of D11 Engage Dr. Jessica Wise, and Director of Educator Effectiveness Tanya Nash.

Unified Improvement Planning was introduced in 2009 to streamline improvement planning components of state and federal accountability requirements. Based on the Colorado Achievement Plan for Kids (SB212-08), improvement planning aims to align efforts to ensure all students exit the K-12 education system ready for post-secondary education and/or to be successful in the workforce, earning a living wage immediately upon graduation.

The intent is that schools and districts create a single plan that has true meaning for stakeholders, ultimately reducing the total number of separate plans required. The final approved plan must be submitted to the Colorado Department of Education by October 16.

The Unified District Improvement Plan will come forward as an action item at the October 11, 2023, Regular Board Meeting.
