High school students ages 16-18, July: In-person 4-week intensive

What experience do PreCollege students need to have?

No previous art or design experience is required! They are welcoming students who are ready to discover their creative passion and maximum their potential by exploring the discipline of choice under the guidance of the faculty in these college-level programs.

All classes are taught by dedicated Pratt faculty or alumni who are successful artists, designers, and architects.

From their Brooklyn and Manhattan campuses to their online classes, Pratt PreCollege gives students the opportunity to learn in the environment best suited for their needs. [Hear first-hand on their video what students and faculty have to say about Pratt PreCollege.](#)
