
TRANSFERRING PRESCRIPTIONS TO NORTHSHORE FROM PRIMARY CARE PROVIDER

Schedule a New Patient Appointment

A new appointment can be made with ease by calling NorthShore at (219) 763-8112 or at <https://phreesia.me/KVSchools>.

Bring Current Prescriptions to your Appointment

Bring a detailed list of your current medication(s) with dosage, labeled medication bottle(s), or a copy of your prescription(s) to your appointment. The NorthShore provider will review the medication(s) and update the treatment plan if they deem necessary.

TRANSFERRING PRESCRIPTIONS TO NORTHSORE FROM A SPECIALIST

Schedule a New Patient Appointment

A new appointment can be made with ease by calling NorthShore at (219) 763-8112 or at <https://phreesia.me/KVSchools>.

Bring Current Prescription and Specialist's Contact Information to your Appointment

Bring a detailed list of your current medication(s) with dosage, labeled medication bottle(s), or a copy of your prescription(s) to your appointment. Bring your specialist's name and contact information to your appointment. The Northshore provider will then submit a referral to your specialist that allows your specialist to send your prescription directly to the Northshore Pharmacy.
