

# PRESCRIPTION FAQ

## CAN I STILL USE MY REGULAR PHARMACY?

Yes, you can continue to use any pharmacy you choose.

## WHAT WILL IT COST ME TO USE A PHARMACY THAT IS NOT NORTSHORE?

-When using any pharmacy, besides Northshore, you can use your insurance, and you will pay 50% of the total cost (HSA program deductible then 50%).

OR

-You can ask the pharmacy to run it as a cash transaction(no insurance) for possibly a lower price.

## WHAT IF I GET MY RX WITHOUT MY INSURANCE AND DO A CASH TRANSACTION?

The amount you pay will **NOT** go towards your deductible.

## HOW MUCH WILL MY RX COST IF I USE NORTSHORE PHARMACY?

- On the \$100 and \$1000 plan your prescription will be **FREE** (no charge to you).

-On the HSA plan your prescription will be \$5 and will NOT go towards your deductible.

## WHAT DO I NEED TO DO TO BE ABLE TO USE NORSHORE PHARMACY?

You must establish yourself as a patient at Northshore in order to get prescriptions sent there and to take advantage of the \$0 Rx (\$5- HSA plan).

## DO I HAVE TO USE NORTSHORE? CAN I CONTINUE TO SEE MY OTHER DOCTORS?

Yes, you can continue to use any doctor or facility that you choose. IF you use Northshore your visits and labs will be **NO** cost for you (HSA plan- \$5 service fee that does not apply to your deductible).
