WE HAVE A NEW DESIGNATION

HOW DOES DUAL CREDIT WORK?

Student takes a class at college and earns both college and high school credit upon completion of the course.

SAN JACINTO
COLLEGE

COLLEGE SCHEDULE

SAN JACINTO
COLLEGE

- **Monday/Wednesday - Classes start Aug. 28**
- **Tuesday/Thursday**
- **7:00-8:25**
- **8:35-10:00**
- **No SJC classes on Friday - Support Day at KHS**

Dual Credit Grade Conversion

There is a grade conversion table used so that the student's grade is equivalent at both the high school and San Jacinto College.

It is important to make at least a C or higher so that the credit will transfer to another college or university.

NEW

San Jacinto College will be going to a "letter grade" grading system. No more numerical grades will be used. See conversion chart for the HS equivalent of each letter grade.

San Jac = KHS

A	=	95
B	=	85
C	=	77
D	=	73
F	=	65

****Additional classes as they become available***

*****Academy Counselor will determine eligibility and placement for each student***

SPECIAL NOTES FOR PARENTS/GUARDIANS:

- **NO COST to families - to include textbooks**
- Parents cannot contact college professor due to FERPA
- For all SJC classes, students will login and show grades to their AVID teacher, STEM staff, Mr. Upshaw & parent/guardian upon request.
- If a student is failing or close to failing at the college drop date, he or she may be dropped and placed into high school credit recovery if needed - WHICH WILL NEGATIVELY IMPACT NCAA Eligibility & the ability to continue dual credit courses in STEM & at SJC!!

ABOUT FERPA

- **The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student educational records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. When a student turns 18 years old or enters a postsecondary institution at any age, all rights afforded to parents under FERPA transfer to the student.**
- **Students are free to give their S.O.S. log-in information to their parents if they wish. The S.O.S. account can be used to view an unofficial transcript, print a degree evaluation, order official transcripts for college/university applicants, and check class schedules.**

ACCESSIBILITY SERVICES AT SJC

- Some students may need extra assistance to proceed with their college coursework. We're here to make sure they have everything they need to succeed. We help students facing all types of challenges, such as learning disabilities, visual and hearing impairment, communication disorders, mobility issues, head injuries, chronic illness, and ADD.
- Our Accessibility Services counselors meet with students to determine what special accommodations should be made, such as extended time for tests, interpreting services, note-taking assistance, and specialized technologies. If you need more information or would like to make an appointment, contact the Accessibility Services office on the campus that's most convenient for you.
- The Family Educational Rights Privacy Act (FERPA) regulates the disclosure of disability documentation and records maintained by Accessibility Services. Under this Federal act, prior written consent by the student is required before Accessibility Services may release disability documentation or records.
