Athletic Director

Use of Private Transportation

Please Read Carefully

The following are guidelines for use of private vehicles to and from practices or athletic events:

1. Prior approval must be obtained from the Athletic Director by the Head Coach.
2. The Coach must have the complete form on file in order for an athlete to use private transportation.
3. While private vehicles will be considered for use to attend practice, it is school policy that all athletes use school transportation for contest.
4. Parents have the right to take their child home from an "AWAY" event. However, the parent must come face to face with the coach and request same. Coaches are cautioned not to take the word of a student that his/her parents are in the stands. You should see them for your own protection.
5. Your cooperation is necessary for this policy to be successful.
6. Students are expected to follow all NJ Motor Commission laws pertaining to passengers as applicable.

I hereby give permission to my son/daughter (Fill in Below) to travel to and from athletic events in private automobiles, whether self-driven by other parents or students. I agree to hold harmless indemnify and defend the school and its employees and volunteers against any liability in any way arising from such private transportation.
