School Improvement

School Improvement is a decision-making model that schools utilize to ensure programming, teaching and learning, and culture and community, provide all students access, opportunity, and support to achieve at high levels.

Each school develops a School Improvement Plan (SIP). The SIP identifies priority goals, instructional and culture strategies, and supports schools will implement to raise student achievement and prepare students for college and career pathways.

This works starts at the elementary school and continues through high school.

Student Learning & Achievement

❑ Data Summary:

- MCAP English - there was a slight increase in proficiency.
- MCAP Mathematics – overall room for improvement.

❑ Goal: We will increase student achievement in English and Mathematics by 10% as indicated on MCAP.

❑ Strategies to support Reading and Math Instruction:

- Extension Periods added to the daily schedule
- Common Assessments, I-Ready & Common Lit Data
- Focus on Academic Vocabulary
- Notetaking and annotating to build stronger writers (Thomas Stone Thinking Notes)
- Student learning by encouraging students to unpack text to respond with prompt analysis and evidence-based analysis.
- Push-In/ Push-Out Support
- FEV Tutoring
