THE PRINCIPAL'S PERSPECTIVE: A CULTURE OF JOY AND POSITIVE PARTNERSHIPS

Dear Meadow Brook Partners,

I started Friday morning walking from room to room, visiting every teacher and student, saying good morning and being met with MBE enthusiasm!

A great way to start any day.

Kids were wearing class colors, they were excited about Fun Run fundraising prizes, and they couldn't wait to see parents, caregivers and staff on hand in the afternoon to cheer them on.

My hair was blue because, by that time, we had raised enough money for the "Mr. Berg Colors His Hair For The Day" prize. The kids loved it. They earned it.

The older kids said things like, "Nice hair, Mr. Berg," and "I like your hair, Mr. Berg." The younger kids said things like, "Your hair is blue, Mr. Berg," "What's wrong with your hair, Mr. Berg," and "Your hair looks pretty, Mr. Berg!"

They were all smiling.

Teachers and staff were light hearted, kids were enthusiastic, families were happy to join in the fun, and we had another great event filled with joy!

Reflecting on that joy it's unequivocally clear to me that our partnerships are at the core. We couldn't do what we do without one another. It truly takes a village and we have a great one!

I'm so grateful for the culture of positive partnerships we've built at Meadow Brook. Thank you all for all you do on behalf of all MBE students! Stay connected and keep up the great work...it's what's best for kids!
