### THE PRINCIPAL'S PERSPECTIVE: GRATITUDE

Dear Meadow Brook Partners,

I am so fortunate to work at a place I'm excited to be at every day! Our school community is wonderful!

I have been showered with love and appreciation all week long. Actually, I'm showered with love and appreciation every day.

I greatly appreciate the incredibly generous gifts I've been receiving for admin appreciation day.

The thank you notes, the snack and treats, and the gift cards. Everything has been amazing...never necessary and always appreciated! Being showered with gifts is humbling.

Being showered with love and appreciation every day fills me with joy, energy, hope and optimism!

Together, we can do anything!

Thank you very much for your incredible partnership on behalf of all Meadow Brook Students!
