## BOARD POLICY

### *Series 2000: Bylaws*

#### **2500 Board Meetings and Open Meetings Act Compliance**

##### **2501A Electronic Board of Education Meetings**

The Board may hold electronic meetings, and Board members and the public may participate remotely, only as permitted by this Policy, the Open Meetings Act, and other applicable law.

#### A. Definitions

The definitions in this section apply only to this Policy. All other words found in this Policy, unless specifically defined, are given their plain meaning.

1. “Two-Way Communication” means telephone, video, or other means of conferencing that allows Board members to hear and be heard by both the public and other Board members, and allows the public to hear and be heard by other members of the public and the Board members during public comment. Real-time typed public comments that may be read to or shared with Board members and the public is a sufficient form of two-way communication for purposes of public participation during an electronic Board meeting.

#### B. Permissible Reasons for Wholly Electronic Board Meetings

The Board may hold a meeting wholly electronically, with every Board member and the public participating remotely, if every Board member simultaneously satisfies one or more of the conditions identified in Section C of this Policy.

#### C. Permissible Reasons for Individual Board Member Remote Participation

A Board member who is not physically present at an in-person Board meeting due to military duty, a “disability” within the meaning of the ADA, or other reason permitted by Michigan law may be counted toward a quorum, deliberate, and vote. To qualify, members absent due to military duty must follow the procedures listed in Section D, below. Unless otherwise provided, any Board member who is not absent due to a qualifying exception must be physically present at the meeting to participate.

#### D. Procedures to Accommodate Board Member Remote Participation

The Board institutes the following procedures to ensure that a Board member who is not physically present at an in-person Board meeting may be counted toward a quorum, deliberate, and vote at a Board meeting.

### BOARD POLICY

1. The Board and the remote Board member will ensure there is Two-Way Communication during the meeting;
2. The remote Board member must provide notice to the Board President or Superintendent at least **24** hours before the meeting; and [NOTE – DELETE AFTER ADOPTION: Notice of an electronic meeting must be posted at least 18 hours in advance. We recommend that the remote Board member give notice sufficiently in advance of that time so that the District can disclose that member’s absence into the posted notice.]
3. The Superintendent or designee will ensure that public notice of the remote Board member’s physical absence and information on how to contact the remote Board member is provided sufficiently in advance of the Board meeting so that a member of the public may provide input on or ask questions about any business that will come before the Board at the meeting.

#### E. Procedures to Ensure Public Participation at Electronic Meetings

If the Board convenes a wholly electronic meeting or any Board member participates remotely, the public will also be provided the opportunity to attend the public meeting remotely.

The Board will not require the public to register or otherwise provide their names or other information as a condition of attending a Board meeting, whether in-person or remotely. The Board may require the public to submit information, consistent with public participation rules, to participate in the public comment portion of a meeting.

#### F. Electronic Board Meeting Notice Requirements

The Superintendent or designee will post notice of an electronic Board meeting at least 18 hours before the meeting. If the Board will be convening in a physical location with one or more Board members attending remotely pursuant to Section C, the notice must include both the physical and virtual locations of the meeting.

If the District has an internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, the notice must be included on a portion of the District’s website that is fully accessible to the public, either on the District’s homepage or on a separate webpage dedicated to public notices for non-regularly scheduled or electronic meetings that is accessible through a prominent and conspicuous link on the District website’s homepage. The link must clearly describe its purpose for public notice of non-regularly scheduled or electronic meetings.

The notice must clearly explain:
