Letters

How to create letters

Verification letters are generated on employer's letterhead and include your basic employment information. The letters are available to be used in circumstances when a full verification report is not suitable.

To create a new letter, simply select the letter type, then click the **Create Letter** button.

Employment Letter
Displays your hire date, job title, and tenure on your employer's letterhead.

Income Letter
Displays your hire date, job title, tenure and pay rate on your employer's letterhead.

Immigration Letter
Employment letter with language tailored to immigration and customs agents for visa renewal, international travel, or sponsorships.

Public Service Loan Forgiveness (PSLF) Documents
Provides instructions and resources on submitting your PSLF request and a pre-filled form with your employment information.
