

Some suggestions on how to use these number cards:

Number Memory: cut out cards, place cards face down. Have child flip over two cards, trying to match the numeral to the picture.

Find the Number: lay out the picture cards face up. Put numeral cards in a pile face down. Have child pick a number from the pile and match it quickly to the picture card.

Clap (or Jump) the Number: put all cards in a pile face down. Draw a number and help child to clap (or jump) the number shown.

Least to Greatest: have child put the cards in order from least to greatest

Compare Numbers: put all cards in a pile face down. Have child choose 2 cards and decide which has less and which has more
