Resources and Safety

- **Access and Campus Safety**
 - Facilities accommodations/upgrades for universal student access (eg ADA access/ramps, rails, etc.)
 - Enhanced safety/security measures and staff to support schools with safety concerns
- **Student Wellness and Supports**
 - Counselor for academic and social emotional support for all grade spans
 - All support staff from closed schools and some from reconfigured schools will provide additional support to academic needs and social-emotional development of students
 - Leadership Opportunities -ASB
 - Site-based student support programs (academic/behavioral/SEL supports) Homework Club, Saturday Academy, After school Tutoring
- **Foster Support**
 - District Foster Liaison coordination with Social Worker and Foster family team to facilitate transitions
 - Community Forums: students, counselors, administrators, and teachers
 - Bridging Supports: Transition school visits
 - Onboarding: Case management for high priority students to support transition, PBIS venue trainings
- **Special Education**
 - Special Education is a service not a place, therefore services will follow students
 - Classes are broken down into lower elementary, upper elementary and middle school grades
 - The Special Education/SELPA administrators will facilitate transitions to site school sites
 - As California Children's Services (CCS) is a state agency, services will continue to be provided to students regardless of sites the students are attending

Culture and Climate

- Transition opportunities
 - Staff Meet and Greets
 - Campus Tours
 - Parent Info/Orientation Meetings
- School Site Leadership and Community Engagement
 - Strong, experienced administrative leadership at receiving schools
 - Potential Administrator support to schools affected by reconfiguration to ensure successful transition
 - PBIS, Character and Citizenship Development (Kindness Campaigns)
 - Parent leadership and engagement opportunities (Advisory Committees, SSC, Volunteerism, PTA/O/Booster, etc. GATE and Honors Advisory [3 times a year])
- Intradistrict Transfer Option
 - Priority given to students attending schools being considered for closure before Open Enrollment period

Next Steps

Continued Community Input: At schools, upcoming Board meetings

November 9 - brought to the Board for decision

Asset Management

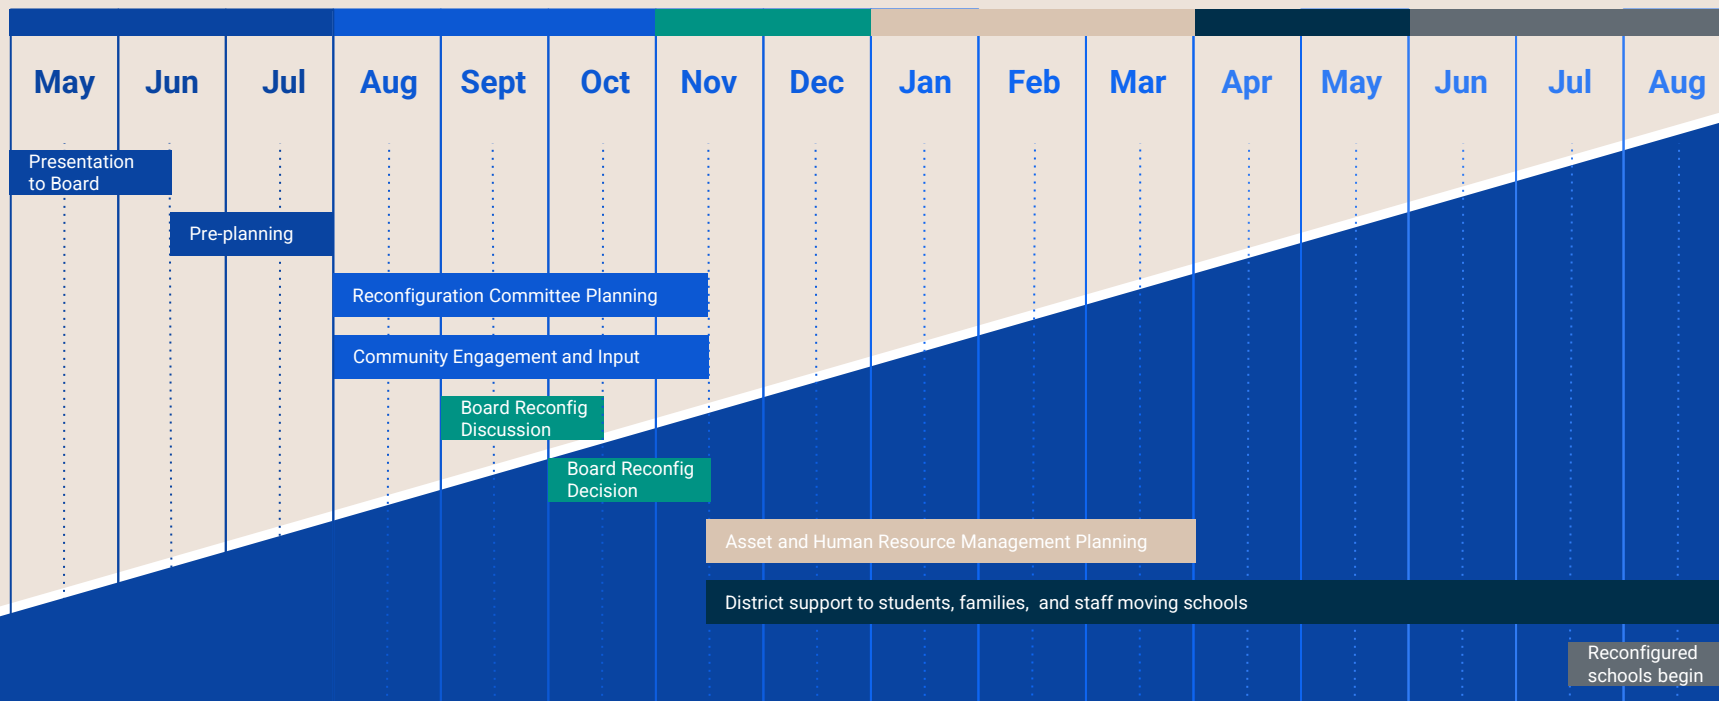

Assist families (Concierge or personalized service): Individual meetings with all impacted students' families. SFS will support families in placement at new school; if families prefer different placement, they will have priority prior to general Open Enrollment

Human Resources: There will be no layoffs due to reconfiguration. HR will work with labor management on new assignments. Will follow process outlined in CBA (see notes below)

Facility Preparations: Facilities will work to prepare receiving schools to accommodate growth in students; a committee including community representatives will be formed to determine new use of schools that will no longer house students

Process Timeline 2023-2024
