Long Island School Nutrition Directors Cooperative Bid
Annual Member Requirements

for participation in the Long Island School Nutrition Cooperative Bid. 2022-2023 School Year

- This agreement is to be signed annually by all participating school districts and submitted with BOE resolution on or before September 1.

- Every District must be a member in good standing of the Long Island School Nutrition Directors Association and have a School Lunch Manager or Director operating their program. Membership is $200.00 per year for the LISNDA.

- Districts participating in the bidding process must remit $500.00 (350.00 for website, $150.00 for cooperative advertising) by September 1, to the Cooperative Treasurer, for the bidding program that is used to organize and analyze our bids. This includes attorney fees and advertising fees. (Please remit when invoice is received, do not send prior to July 1, 2022)

- A member from each district must work on at least one bid, to assist the cooperative in meeting its goal of competitive and fair bidding. This requires that members step up and take active roles in organizing, preparing, distributing and analyzing bids, as is necessary.

- There are several **MANDATORY** meetings each year, which must be attended by a representative of the school district. If a district is not represented at these meetings, without prior acceptable notification to the Bid Chair, they will be unable to participate in the bid cycle for that period.

- Districts must provide *yearly, by September 1,* a Board approved Resolution, granting the district permission to participate in the cooperative and authority for the Coop to recommend bid awards to the Board. This resolution is passed at the reorganization meeting in school districts, however, **you** are responsible for getting it approved and submitted by September 1 of each year, to the Cooperative Secretary. If the resolution is not received, the district will not have access to bid prices for one year.

- Districts must provide the names and addresses of the Food Service Director and the Assistant Superintendent of their district. In addition, they must have **email** or the ability to **access email**, as much correspondence in the coop is done via email. If district's email or address changes, the district must notify the Cooperative Coordinator and Secretary.

- It is the district's responsibility to stay involved with other cooperative members to remain aware of dates, requirements, etc. This includes and is not limited to bid development, item specifications, district needs in terms of volumes, deliveries, etc. All established timelines must be met. If any are not met the district forfeits bid participation for that period and/or maybe assessed an additional fee up to $2,000 for covering cost to complete tasks assigned and not done in a timely fashion. The fee will cover the cost of personnel and time to complete the original task.

- It is also the district's responsibility to submit the bids to their board of education for award and approval to conduct business with recommended vendors.
