WHAT IS THE TSIA2?

The Texas Success Initiative Assessment (TSI) is a state-required assessment to determine college readiness in the subjects of Reading, Writing, and Mathematics. ECHS, Dual Credit and P-Tech students must take the TSI assessment before enrolling into college courses.

Students not meeting the minimum requirement for a passing score will receive 14 hours of tutoring within their normal school day and after school. There will be multiple opportunities throughout the year to take the assessment.

Students will sign up with their **high school counselor** the week before the date of the assessment. Slots are limited so it is important that student's sign-up as soon as possible.
