Follow-up discussion included questions about referrals, raising awareness, causes and risk factors, and the value of prevention/screeners/early intervention.

- Harris County Public Health
 - Epidemiology Updates - Carolyn Hembree was absent, so Abha Adhukari presented.
 - COVID-19
 - Harris County is currently in a low transmission zone. Continued vigilance and vaccination efforts were discussed.
 - Monkeypox
 - Harris County and pediatric threat overall is low. Mitigation, response, and vaccination were discussed.
 - Flu
 - Harris County is expecting an active season, Texas is already in the high zone. HCPS recommends getting vaccinated annually.
 - COVID-19 Operation Updates - Abha Adhikari presented.
 - COVID-19, Monkeypox, and Flu Vaccines
 - HCPH vaccination recommendations were discussed. HCPH has vaccination and testing sites that are free and can be hosted at schools.
 - Updated Booster Guidance/Eligibility
 - Covid, Monkeypox, and Flu
 - HCPH reviewed vaccination guidance and eligibility, as well as what they offer. HCPH recommends that schools monitor for and report ILI (Influenza like illness activity) through data like absenteeism, since these are not required to be notified.
 - COVID-19 Outreach - Justin Rahman, Amy Medrano, and Megan Kramer presented.
 - HCPH gave an overview of their Community Outreach Team, whose goal is to reduce inequities in access and exposure, and who offer many on-site and informational resources. Discussion was had on which programs and services may best align to Sheldon ISD. HCPH teams will be at the Sheldon ISD Community Fall Festival on October 29, 2022.
- Consideration of Future Business - Coordinator D Pfannstiel led a discussion on possible topics for future business or informational items.
