Mission, Vision, Beliefs, Goals

Waterloo Central School District Vision and Mission Statement

All Students. All Staff. One Family

The **MISSION** of the Waterloo Central School District is to put kids first every day. We support each student on a personalized journey to realize their goals. Our caring community develops learners and leaders.

Waterloo School Counseling Mission Statement

The **MISSION** of the Waterloo School Counseling Program is to provide services that ensure an opportunity for all students to learn and develop to their fullest potential. The program is proactive and preventative in its approach. More specifically, the school counseling program helps facilitate and enhance academic, career, social and personal development of all students. The school counseling program is inclusive and encompasses many school professionals including school psychologists, school social workers and school counselors. As a result of the collaborative nature of the school counseling program, the team will be referred to as the Counseling and Student Support Services.

School Counseling Vision Statement

The **VISION** of the Waterloo School Counseling Program is that every student will be given the opportunity to acquire the academic, career and personal/social skills to reach their fullest educational potential and successfully manage their lives as healthy, responsible, competent and productive citizens who respect themselves and others.

School Counseling Goals

- To foster student achievement for EVERY student
- To implement a school counseling program which is data-driven, proactive, prevention-based, developmentally appropriate and supports school improvement.
- To promote and enhance the social and emotional competencies of all students.
- To increase the attendance rate for Skoi-Yase and LaFayette to 94% and for the Middle School and High School to 90%.
- To increase graduation rate to 88%.

Waterloo Board of Education Goals

These Board of Education goals are derived from the Waterloo School District Strategic Plan.

Safe Space:

1. Implement the branding concepts to promote pride in our schools
2. Support and evaluate the effectiveness of inclusion programming
3. Developing the Culturally Responsive Framework for use in schools

Wellness:

1. Evaluate the implementation of and effectiveness of community circles
2. Evaluate the implementation of the student mentorship program
3. Re-evaluate our focus on professional development for all staff

Academic Success:

1. Provide consistent academic support for all students.
2. Provide behavioral and academic interventions for all students, including support that prioritizes mental health and social-emotional well-being.

Teamwork:

1. Continue to develop and implement personalized learning plans
2. Staff members, family members, and students report alignment and value in individual student plans
3. Ensure responsive changes in curriculum are driven by data from staff discussion

NYS Comprehensive School Counseling Program Annual Program Development Process:

COMPONENTS OF THE ASCA MODEL

The standards that define the school counseling profession are professional standards and student standards. They are included in the DEFINE component of the ASCA National Model and guide the work that school counselors do. They help school counselors determine the knowledge, attitudes and skills they want students to learn by their participation in the school counseling program.

MANAGEMENT

**Advisory Council, Time Analysis, Professional
Responsibilities, Monthly Calendars**

Advisory Council

The role of the advisory council is to provide stakeholders with the opportunity to review, advise on, and support implementation of the school counseling plan and program. Membership of the advisory council will be representative of the school community and shall include school employees, students, community members, and parents. The Advisory Council will meet twice yearly to review the Waterloo Central School District Counseling Plan. Meeting minutes will be shared via the school website.

Annual Report to the Board of Education

The Student Support Services personnel will present the counseling plan and relevant program information at least one time yearly to the Board of Education. Data points, action plans and program delivery will be important points to consider.

Time Analysis

All WCSD School Counselors will log a time analysis sheet three times yearly minimally. This data will be used to analyze time spent on direct student services, indirect student services, program management and school support. ASCA (American School Counselor Association) National Model recommends 80% of the time in direct and indirect services to students.

Planning, Evaluation Methods, Annual Report to Board of
Education**

Closing the Gap Action Plan

Data points reviewed:

- Attendance Rates 2021-2022 and 2022-2023 School Years:
- Graduation Rate 2021-2022 School Year:
 - High School – 85.7%
- SAEBRS data
- Discipline Reports

	2021-2022	2022-2023
SY (PreK-2)	91.77%	90.83%
SY (K-2)	91.83%	91.28%
LAF	91.87%	92.44%
WMS	91.65%	91.23%
WHS	89.88%	89.98%
District K-12	91.31%	91.23%
District PreK-12	91.30%	91.37%

The counseling program will work to increase attendance rates through:

- Regular attendance reviews
- Chronic absences will be addressed through communication with families (letters, phone calls home, home visits, ParentSquare)
- Students in need of Tier 2 or Tier 3 intervention will have individualized plans developed through Instructional Support Team meetings.
- Check and connect (PreK-2) and check in/check out (3-5)

The counseling program will work to increase graduation rate through:

- Regular academic reviews
- Educating students, families, and staff on graduation requirements
- Yearly individual reviews with all students 6-12
- Consistent communication with general education data teams to intervene proactively
- Participation on the Instructional Support Team for students in need of Tier 3 intervention. Individualized student plans will be developed through this process.

Professional Development Planning

The following are topics that the Counseling Department Student Support Services have identified to be areas to pursue professional growth:

- Restorative Practices
- Social Emotional Learning
- Trauma Informed Instruction
- Positive School Environment

The department will investigate and pursue professional development opportunities that align with these topics which support district and BOE goals and initiatives.

Evaluation Methods

The counseling program and plan will be regularly evaluated and updated as needed. Data will continue to be collected and reviewed to drive changes based on identified needs. The counseling program will create surveys and use this data to inform the advisory of needs to be addressed in following years.

The administrators at each building are responsible for the evaluation of each counselor on an annual basis. The evaluation is based on the criteria set forth in the Teachers’ Annual Professional Performance Review process (APPR). The form used follows.
