NOTICE OF PUBLIC HEARING

The Enterprise Elementary School District will hold a public hearing on November 15, 2023, to gather public input on “draft” trustee area maps.

The Enterprise Elementary School District’s Board of Trustees is currently elected under an “at-large” election system, where Board members are elected by voters of the entire District. On October 17, 2023, the Board adopted Resolution No. 2338, signaling its intent to transition to by-trustee area elections. In a by-trustee area election system, each Board member must reside within the designated trustee area boundary and is elected only by the voters in that trustee area. On October 25, 2023, the District published draft trustee area election maps and election sequencing for the Board and public’s consideration. The maps were published at the District website (<https://www.eesd.net/board-of-education/trustee-area-elections>), and hard copies have been made available at the District Office.

On November 1, 2023, the Board held a public hearing to receive community input on the proposed trustee area maps. On November 15, the Board will hold another public hearing to receive community input on the proposed trustee area maps. The public hearing will take place at the District Office (1155 Mistletoe Lane, Redding) on November 15, 2023, at 4:00 p.m., to gather community input on the published maps and election sequencing.

The public is invited to participate and make comments during the public hearing.

If you have any questions regarding this public hearing, please contact Superintendent Heather Armelino at 530-224-4100 or harmelino@eesd.net.
