Parent Newsletter Volume 10

Welcome to November and issue no. 10! The holidays are here. So excited to celebrate thanksgiving with our family and friends. Lets take this month to be thankful for our staff as they have been working so hard for your scholars and your scholars who have been doing so well.

- Student Drop Off/Pick up procedure
- Lunch
- Dates to Remember
- Student Recognition

This year our primary theme is Superheroes. We would love for you to help us in encouraging your students to ignite their Superpowers. Understand, that superheroes come in all forms and In order for your scholars to receive all the necessary information that's vital to their success as superheroes they will need to receive the proper training. The first part of any training is showing up. Students need to be at school and on-time daily. We DO NOT have late pick-up. For parents who work early or late we have a program that will allow them to come as early as 7am and stay as late as 5:45pm. This is not a free service but it is very inexpensive. Your scholars will also receive breakfast, lunch and an after school snack. We are working overtime to make sure your children receive quality education in and out of the classroom so please be mindful and considerate of pick-up times for your children.

The goal is 100% attendance.

Everyday we will continue to assist students with academy culture, classroom etiquette, routines and procedures. We will also continue to celebrate students as they get better and better with adjusting to the normal DEPSA culture. Please encourage your children to stay positive as teachers will continue to be firm with rules and continue to reinforce the expectations of the classroom and academy! Active listening, respecting authority, and keeping their hands to themselves.

We take safety and academics very serious at DEPSA. During the school year, we will continue practicing fire, tornado, and active shooting drills. Emergencies can happen at any time. These drills are to help prepare students to know what to

New Arrival Procedures

Every week students will participate in the “Cooperative challenge”. This week we are demonstrating focus strategies.

Demonstrate a Focus Strategy

- *Monday: This week our school-wide cooperative challenge is to demonstrate a focus strategy. One way you can help yourself focus is by practicing Active Listening. Remember Active Listening has three parts: look at the speaker, sit still with hands in your lap, and be at zero noise.*
- *Tuesday: This week our school-wide cooperative challenge is to demonstrate a focus strategy. One way you can help yourself focus is by putting away anything on your desk that you might play with rather than paying attention to the lesson. Keep extra things you do not need in your locker or backpack.*
- *Wednesday: This week our school-wide cooperative challenge is to demonstrate a focus strategy. One way you can help yourself focus is by using the “Focus Signal”, this will also remind your peers that they should be focusing on their learning.*
- *Thursday: This week our school-wide cooperative challenge is to demonstrate a focus strategy. One way you can help yourself focus is by practicing self-talk. Self-Talk is when you coach yourself to make a positive choice. So you could remind yourself of the Active Listening parts when you feel yourself losing focus.*
- *Friday: This week our school-wide cooperative challenge is to demonstrate a focus strategy. When we focus on what our classmates are saying it makes them feel like what they have to say is important and that you are truly interested in what they are saying. This makes everyone feel good and helps us to work together as a team. Practice focusing on a classmate during the day today!*
