Subject: Culture, Climate & Inclusivity in the District

Overview

Research shows that all students benefit when schools implement strong diversity, equity, and inclusion policies and practices. These benefits include academic, cognitive, civic, social-emotional, and economic. This is true regardless of a school's geographic location or the demographic composition of its students and staff.

This policy provides a framework as to how the District will foster diversity, equity and inclusion in its schools through the Culture, Climate, & Inclusivity (CCI) initiative. This policy considers the entirety of the educational process by addressing the following essential elements: governance; teaching and learning; family and community engagement; workforce diversity; diverse schools and learning opportunities; and student supports, discipline, and wellness. It is just one component of the District's overall commitment to maintaining a diverse, equitable, and inclusive educational and work environment.

The District may develop a CCI plan to manage and coordinate the execution of this CCI policy.

Inquiries about this policy may be directed to the District's CCI Coordinator.

- c) "Inclusion" includes, but is not limited to, authentically bringing traditionally excluded individuals and/or groups into processes, activities, and decision/policy making in a way that shares power and ensures equal access to opportunities and resources.
