

November 9, 2023

Dear Families,

Happy Veteran's Day, and a sincere thank you to family and friends who have served our country!

Each year, The Christmas Spirit Foundation and FedEx work with businesses and individuals across the country to purchase Christmas trees to give to United States military families stationed in the United States and overseas. Since 2005, more than 262,000 Christmas trees have been given to military families.

Once again, the Lehigh Area School District is proud to be part of this nation-wide effort to say thank you to military families. Our school will be raising funds to purchase Christmas trees in several ways.

- *Students can bring \$1 to wear pajamas on Wednesday, November 22nd. Of course, additional donations are always welcome. For every \$30 we raise, a student will hand-write a message to the military family receiving the Christmas tree.*
- *Families can send \$30 to purchase a tree for a military family. A tag will be sent home, to complete with a personal message for the receiving family.*

Thank you for helping us show our appreciation to United States military families during the holiday season.

*Sincerely,
Lehigh Elementary Center Staff*
