School Year 22-23

**Attend School - Stay Connected!  
We can help**

## Returning to your home school

If your child was at JDC for less than 15-days, they are able to return to their home school. They should plan on returning to school the following day from being released.

If they were at JDC for more than 15-day we can help with re-enrollment.

If you need assistance re-enrolling your child into a St. Paul Public School, please contact Student Placement at: 651-632-3700 or work with our school counselor, Mr. Flanders at: 651-744-4914.
