13.1. **Without Cause by District.** District may, at any time, with or without reason, terminate this Agreement with thirty (30) days’ written notice, and compensate Consultant only for services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of services by Consultant. Notice shall be deemed given when received by the Consultant or no later than three days after the day of mailing, whichever is sooner. In the event that District terminates this Agreement
pursuant to this section, District shall compensate Consultant for work completed to date as a pro-rata amount of the full fees, costs, and expenses.

13.2. Without Cause by Consultant. Consultant may, upon thirty (30) days’ notice, with or without reason, terminate this Agreement. Upon this termination, District shall only be obligated to compensate Consultant for services satisfactorily rendered to the date of termination. Written notice by Consultant shall be sufficient to stop further performance of services to District. Consultant acknowledges that this thirty (30) day notice period is acceptable so that the District can attempt to procure the Services from another source.

13.3. With Cause by District. District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include:

13.3.1. material violation of this Agreement by the Consultant; or

13.3.2. any act by Consultant exposing the District to liability to others for personal injury or property damage; or

13.3.3. Consultant is adjudged a bankrupt, Consultant makes a general assignment for the benefit of creditors or a receiver is appointed on account of Consultant’s insolvency.

Written notice by District shall contain the reasons for such intention to terminate and unless within three (3) calendar days after that notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the three (3) calendar days cease and terminate. In the event of this termination, the District may secure the required services from another Consultant. If the expense, fees, and costs to the District exceeds the cost of providing the service pursuant to this Agreement, the Consultant shall immediately pay the excess expense, fees, and/or costs to the District upon the receipt of the District’s notice of these expense, fees, and/or costs. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District.

12.4 Upon termination, Consultant shall provide the District with all documents produced maintained or collected by Consultant pursuant to this Agreement, whether or not such documents are final or draft documents.

14. Indemnification. To the furthest extent permitted by California law, Consultant shall, at its sole expense, defend, indemnify, and hold harmless the District, the State of California, and their agents, representatives, officers, consultants, employees, trustees, and volunteers (the “indemnified parties”) from any and all demands, losses, liabilities, claims, suits, and actions (the “claims”) of any kind, nature, and description, including, but not limited to, personal injury, death, property damage, and consultants and/or attorneys fees and costs, directly or indirectly arising out of, connected with, or resulting from the performance of the Agreement or any activity, work, or thing done, permitted, or suffered by the Consultant under or in conjunction with this Agreement, unless the claims are caused wholly by the sole negligence or
willful misconduct of the indemnified parties. The District shall have the right to accept or reject any legal representation that Consultant proposes to defend the indemnified parties.

15. Insurance.

15.1. The Consultant shall procure and maintain at all times it performs any portion of the Services the following insurance:

15.1.1. **General Liability.** Two Million Dollars ($2,000,000) combined single limit per occurrence for bodily injury, personal injury and property damage in the form of Comprehensive General Liability and Contractual Liability. If Commercial General Liability or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to each project/location or the general aggregate limit shall be twice the required occurrence limit.
