

BIDDING REQUIREMENTS

Purchases over \$10,000.00 will be handled by bid, except in case of an emergency when delay of a purchase could adversely affect the health, welfare, safety, or best interest of the district or place an excessive financial burden on the district.

The board reserves the right to reject any or all bids and to accept that bid which appears to be in the best interest of the district, and also reserves the right to waive any informalities in, or reject, any part of any bid.
